HISTORY OF WESLEYAN COLLEGE

Chartered as the Georgia Female College on December 23, 1836, Wesleyan was founded through the efforts of a group of Macon citizens and the Georgia Conference of the Methodist Episcopal Church as evidence of their concern for the education of women. The Reverend George Foster Pierce was elected president of the Georgia Female College in 1838, and the College opened its doors on January 7, 1839. Ninety young women were enrolled in our first session.

More than 180 years later, Wesleyan continues to educate women to do the extraordinary in their professions and in service to their communities. With many celebrated Wesleyan Firsts and honorary degrees conferred by the College, Wesleyan continues the tradition of excellence. Wesleyan offers the Bachelor of Arts, the Bachelor of Fine Arts (BFA), and the Bachelor of Science in Nursing (BSN) degrees, as well as eight pre-professional programs - allied health, athletic trainer, dental, engineering (dual degree), law, medicine, pharmacy, seminary, and veterinary medicine. The Center for Career Development (CCD) coordinates career services for students, as well as implements activities related to the From Here to Career initiative. From Here to Career is a signature campus initiative that provides checkpoints to help every student prepare for their career during each of their years at Wesleyan. It is designed to help students articulate the value of their liberal arts education, and identify how their experiences and coursework prepare them for the workplace or graduate school. This initiative encourages Wesleyan students to pursue a four-year approach to career exploration and preparation; to this end, several career preparation components are integrated into every student's experience. The Career Development team assists in implementing a Professional Practice Seminar (PDE 350) and the Professional Development Experience (PDE 400), and Introduction to Careers (PDE 100)

Through the Professional Development Experience (PDE 400) requirement, students are able to relate theory to actual practice and gain valuable career-related experience while continuing their studies.

The CCD also provides a number of resources for students, including one-on-one career coaching, connections to experiential learning opportunities through the Handshake internship/job platform, career development workshops, campus-wide events, career assessments, and a career resource library. The Center for Career Development's individual services include resume and cover letter review; personal statement review; interview preparation; LinkedIn profile review; job and graduate school search guidance; experiential learning planning; professional networking advice; and opportunities and advising for career and major exploration. Students are encouraged to approach their career development with a liberal arts mindset, assisted by faculty and staff members.

DISABILITY & ADVOCACY SERVICES

Assistant Dean for Student Support, Health and Wellness: Jill Amos

Location: Olive Swann Porter, 205

Email: jamos@wesleyancollege.edu

Phone: 478-757-3800

Wesleyan College is committed to equal education and full participation for all students. The Office of Disability and Advocacy Services (ODAS) is committed to supporting students with disabilities. The ODAS oversees the implementation of disability related programs and services.

If a student with a disability wishes to receive an accommodation, it is the responsibility of the student to inform the ODAS and request an accommodation by completing the [Disability Services Request Form](#). The student must provide current documentation from a qualified licensed professional as soon as possible, and prior to when accommodations are desired. The documentation should include the specific diagnosis attributing to the disability, how the diagnosis was determined, and the effects the disability will have on the student's collegiate life. Students may request a *Wesleyan College Disability Services Verification Form* on which a licensed professional can provide this information. The on campus counselor and nurse practitioner are not authorized to provide disability documentation through the scope of their work as compensated by the College.

If the submitted documentation meets the requirements, the ODAS will approve reasonable accommodations and notify the student of this approval. If the documentation does not meet the requirements, the ODAS will inform the student that additional information or contact with the medical professional is required. Once approval of the accommodation request has been obtained from the ODAS, the student and faculty member will be emailed an Accommodation Contract via Adobe signature. Once accommodations are sent to professors and students for the semester, the student will communicate with the appropriate staff or faculty member to determine how accommodations will be administered. Once the Contract has been signed by both parties and the student discusses the details with the faculty member, it will be in effect.

Accommodations that decrease the integrity of a course or program or cause an undue burden will not be approved. Accommodations will not be granted retroactively. Accommodations will be determined on an individual basis according to specific student needs. To continue to be considered for academic accommodations, a student must request services each semester. Other accommodation requests must be made annually.

All decisions regarding a request for reasonable accommodations will be communicated to the student in writing. If the request for an accommodation is denied, the student has the right to appeal that decision. A student who feels as though they have been denied a reasonable accommodation or is dissatisfied with the determination that they are not eligible as an otherwise qualified individual with a disability, may appeal in writing within five (5) working days of notification of the denial to the Chief Diversity Officer who will serve as the Chair of the ADA Appeals committee.

During the senior year, every degree-seeking undergraduate student must schedule a graduation audit meeting with the Assistant Registrar of the College to review remaining degree requirements. Students may not register for the last semester of the senior year without having a graduation audit meeting. This meeting will ensure that the student, advisor, and Registrar are aware of all remaining degree requirements and that there are no unfortunate last-minute surprises before graduation.

Wesleyan is committed to making the time students reside on campus a significant part of their overall educational experience.

Wesleyan College is a residential campus, which means all full-time undergraduate day students are required to live on campus during their enrollment (see Residency Policy for exceptions). A variety of student-housing options are available in our residence hall and apartment facilities that prove to be comfortable and accommodating. There are four traditional residence hall communities with suite- style bathrooms. The first year residence hall is a newly renovated building with community style bathrooms. In the residence halls, rooms are equipped for double occupancy. Our apartment communities offer private rooms and private baths in an apartment style setting.

ACADEMIC RECOVERY

Each student's cumulative GPA will be reviewed by the College at the end of each semester. Any student whose cumulative GPA falls below the 2.0 GPA required for good academic standing will be placed on academic recovery for the following semester. Students placed on academic recovery will be notified by the Provost's Office.

Students on academic recovery will have one semester to raise their cumulative GPAs to 2.0 or above. A staff learning specialist from the Academic Resource Center (ARC) will help each student on academic recovery identify barriers to their academic success and develop an academic recovery plan to address those barriers. The learning specialist will meet with each academic recovery student regularly throughout the semester to provide ongoing support and guidance for the academic recovery plan.

Student Affairs supports both the academic endeavors of every student on campus and the academic mission of Wesleyan College. Students on academic recovery should prioritize their school work first, before any other obligation. Students on academic recovery are not permitted to hold an officer position on any campus board or organization, participate in STUNT, or serve as a representative of the College. Exceptions may be made by the Provost.

Students who do not raise their cumulative GPA to 2.0 or above after the academic recovery semester will be excluded from the College for one semester, with an opportunity to appeal. For more information, please see the [Academic Exclusion/Dismissal Policy in the College Catalogue](#).

ALCOHOL POLICY

Wesleyan College seeks to ensure that any alcohol consumption that occurs on campus or at college-sponsored events is undertaken in an atmosphere that promotes social and legal responsibility following all federal, state and local laws. The goal of this policy and all Wesleyan policies is to insure that our students are provided with the tools and guidelines needed to become sound decision makers, responsible citizens, and key contributors to Wesleyan College and beyond. Because of the devastating effects of alcohol and drug abuse on the individual student including assault behaviors, alcohol poisoning, vulnerability to sexual assault, academic failure, injury, and even death, Wesleyan College is very serious about enforcement of its alcohol policy.

Students who choose to use alcohol are responsible for their own behavior and any use of alcohol that is associated with behavior that is disruptive to the community will be considered a more serious violation of the alcohol policy. Disruption includes requiring assistance from others due to excessive intoxication or behavior which is disruptive to the peace through noise or other nuisance behavior. Any behavior connected with the use of alcohol which compromises the safety of self or others through violence, harassment or the use of a vehicle under the influence will be seen as the most serious alcohol policy violation.

A student found in violation of the Alcohol Policy may be subject to disciplinary action through the Wesleyan College conduct process. Any egregious or repeated offenses may be referred directly to the Dean of Students office and subject to disciplinary actions and penalties up to and including expulsion from the college and referral to the appropriate federal, state or local authorities for prosecution.

For information on the short-term and long-term health risks of alcohol use visit the [CDC Website for Public Health](#). For treatment options see [Appendix D: Drug and Alcohol Counseling, Treatment and Rehabilitation Resources](#).

GENERAL PROVISIONS

- ❖ Consistent with Georgia law, only those Wesleyan students and their guests who are 21 years of age or older are permitted to consume alcohol on the Wesleyan campus or at Wesleyan sponsored events.

- ❖ Any person purchasing, possessing or consuming alcohol on Wesleyan's campus and at college-sponsored events at which alcohol consumption is permitted must comply with applicable Georgia laws and Wesleyan College policies.
- ❖ Furnishing alcoholic beverages to persons who are underage or intoxicated is prohibited.
- ❖ Students must uphold the Honor Code at all times and are responsible for guests and guest behavior at all times.
- ❖ Disorderly conduct, reckless behavior, or any other disruption or disturbance to campus life due to intoxication is a violation of the College policy.
- ❖ Students may not drink alcoholic beverages in any area of the campus except in designated areas and during approved college sponsored events.
- ❖ Those who choose to consume alcohol must use it in a responsible manner that will not interfere with the rights of others or be detrimental to themselves, those around them, or Wesleyan as a whole.

ON/OFF CAMPUS EVENT POLICIES

- ❖ In order for alcohol consumption at an event, either on or off campus, to be officially sanctioned by the College, an event registration form must be completed by the president of the organization desiring to have alcohol and submitted to the Director of Student Engagement no later than two months prior to the date of the scheduled event for approval. Requests will be reviewed within one week of submission.
- ❖ Alcoholic beverages may only be served to students of legal age.
- ❖ Nonalcoholic beverages and food must be served at all events at which alcohol consumption is permitted.

ALCOHOL STORAGE, POSSESSION AND CONSUMPTION IN WESLEYAN COLLEGE RESIDENCE HALLS The possession and consumption of alcohol in the Wesleyan College Residence Halls is permitted only per policy described in [Chapter Four: Residence Life Policies and Procedures](#).

See complete [Alcohol on Campus Policy](#) on WesPortal.

BICYCLES

Bicycle owners must store their bicycles at approved bicycle racks only and are encouraged to use a lock at all times. Bikes may not be stored in the stairwells, hallways, offices, or lounges, as this is a fire hazard. Additionally, bikes may not be chained to light poles, buildings, or porch railings. Any bikes found not appropriately chained to a bike rack will be removed. Bicycle owners may leave their bike chained to a bicycle rack during the fall, winter and spring breaks; however, bicycle owners who are not enrolled/working for the college during the summer break must remove their bicycle from campus at the conclusion of the spring semester. Bikes remaining on campus at the conclusion of the spring semester (regardless of location) will be removed and donated. Wesleyan College is not responsible for the damage, theft, or misplacement of bicycles stored on campus.

CAMPUS ACCESS

The main entrance and exit on Forsyth Road is open 24 hours a day. All other gates are opened daily by 6AM and locked at 9PM unless there is an event on campus. Campus Safety is responsible for the operation of all gates and will publish the schedule at the beginning of each semester.

CHALKING POLICY

Given the historic nature of the college and its facilities, chalking is not permitted in any location other than around the residential buildings and quad area. The Student Affairs Staff is happy to work with students, college clubs, and organizations to identify ways to publicize events and make announcements. No chalking is permitted on covered areas, or stairs, or building entrances.

COMPLAINT PROCESS

Wesleyan College and its employees make every effort to serve students courteously and efficiently, including acting in accordance with College policies and state and federal laws. Wesleyan strives to continuously improve our student services and welcomes input regarding our policies and procedures. Individuals wishing to resolve a concern about a campus policy or the conduct of a College employee can bring a complaint, a written notice of concern to the attention of the appropriate faculty, staff, or administrator at any time.

Before filing a formal student complaint, students are encouraged to attempt to resolve the issue with the faculty or staff member of the area or department involved. The College addresses all written student complaints in a fair, professional, and timely manner and in accordance with established procedures. Wesleyan College makes every effort to resolve student complaints internally, using policies and procedures outlined in the current Catalog and Student Handbook.

For details and outline of filing a complaint, see the [Student Complaint Policy](#) posted on WesPortal > WesNet > Policies.

Students may find the [General Academic Complaint Form](#) and [General Complaint Form](#) posted on WesPortal > Student Tab > Important Documents or at [General Reporting and Appeals Information \(wesleyancollege.edu\)](http://wesleyancollege.edu).

CONDUCT TOWARD COLLEGE OFFICIALS

Students must be respectful to College faculty, staff, and other officials at all times. Abusive language or intimidating behavior of any kind will not be tolerated. Students may be subject to, but not limited to, a sanction that may include removal from the College or residence halls with no refund of fees and full payment of tuition, room and board required. Students who feel that they have been treated inappropriately by a faculty or staff member may report such incidents according to the [Complaint Process](#) described above.

CONVOCATIONS

The Wesleyan Convocation Series contributes to a strong academic atmosphere for students, faculty, and staff by bringing to the campus outstanding scholars and performers in varied areas and providing opportunities for meaningful community service. In addition to providing enrichment beyond classroom experiences, the Convocations also serve the purpose of providing a time for the entire campus community to meet together. The Convocation Series will support the mission of the college.

For information on convocation criteria, procedures, or requirements, see the [College Catalog](#).

DAMAGE AND DESTRUCTION OF PROPERTY

The college reserves the right to bill any currently or previously enrolled student for damage or destruction of college property. The student will be billed for the actual cost of repair or replacement and labor. Any student who takes part in or has knowledge of damage or destruction of college property should self-report to the Dean of Students Office who, depending on the value of the item/area in question, may refer the student to the Wesleyan College conduct process for adjudication.

DRUG POLICY

The illegal use or possession of any stimulant, depressant, narcotic, hallucinogen, illegal substances or similar agents or prescription drugs not prescribed specifically to that individual is strictly prohibited on the Wesleyan College campus or as part of any college sponsored activity. The production, selling, bartering, exchanging, or giving away of any drug is also prohibited. State, federal, and laws also govern the use of drugs. When off campus, students are responsible at all times for complying with state, federal and local laws governing possession and use of drugs. Suspicion of drug use including the smell or evidence of use will be considered a violation of the drug policy. This includes smells permeating through residence halls and community areas or on an individual.

The College has a no tolerance policy regarding the possession and use of illicit drugs or prescription drugs not prescribed for that student's use. A student found in violation of the Drug Policy will be subject to serious disciplinary action. Any egregious or repeated offenses may be referred directly to the Dean of Students Office and subject to disciplinary actions and penalties up to and including expulsion from the college and referral to the appropriate federal, state or local authorities for prosecution.

Many misused drugs can alter a person's thinking and judgment, leading to health risks, including addiction, drugged driving, infectious disease and adverse effects on pregnancy (NIH, 2019). Information on commonly used drugs with the potential for misuse or addiction can be found on the [NIH website](#). For treatment options see [Appendix D: Drug and Alcohol Counseling, Treatment and Rehabilitation Resources](#).

Individuals with criminal drug convictions may be subject to limited eligibility, penalties or disqualification for federal student aid. For more information visit <https://studentaid.gov/understand-aid/eligibility/requirements/criminal-convictions>.

E-MAIL

Email is the official mode of College communication. Students are expected to check their official @wesleyancollege.edu email account daily for important messages. Students must take responsibility for all electronic communication distributed via email. Failure to check an @wesleyancollege.edu email account or failure to read an electronic message distributed via email are not tolerated as excuses for missed information. All Wesleyan students are required to be a member of the "WesStudents" electronic distribution group administered via campus email. Students may elect to join additional groups as they desire (i.e. StudentNews, Internships, etc.) but they may not be removed from "WesStudents." See the "[WesStudents Email List Policy](#)" on Wesportal for additional information.

Moderation of StudentNews Group

❖ Acceptable messages to be sent over StudentNews include notifications of campus activities, programs and events, and

important information for the good of the community.

- ❖ Unacceptable messages to be sent over StudentNews include e-mails that do not relate directly to campus events or activities, personal postings to include but not limited to personal messages, political views, sale of items, lost items, congratulatory e mail chains, etc. The Wesleyan College Bulletin Board Facebook group should be used for lost items, sale items, ridesharing, etc.
- ❖ Messages that do not concern all students should be sent to targeted groups, such as residential students, graduating seniors, international students, etc.
- ❖ No more than two e-mails regarding a single event may be sent, and messages regarding a single event may only be sent once per day.

If you are sending an event flyer/image in your email, you must also include the text from the image within the body of the message as students with visual accommodations cannot access the content.

All day program students may join the StudentNews Email Group via [Wesleyan College Google Groups](#) > All Groups > Student News > join. Students may remove themselves at any time, however it is highly recommended to remain on the listserv in order to get information about activities, programs and events at Wesleyan College.

EMERGENCY PROCEDURES

During an emergency, immediate and appropriate action is required of every member of the Wesleyan Community in order to prevent harm to others and ourselves. To ensure that an effective response occurs, everyone on campus will need to be familiar with the emergency procedures as posted in the [Emergency Management Plan](#).

Being familiar with these procedures before an emergency occurs will greatly enhance your safety during a crisis by ensuring your appropriate and rapid response. Such an automatic response by the Wesleyan Community will allow emergency personnel to respond directly to the crisis at hand, possibly resolving it more quickly and effectively than would otherwise be possible.

To make our campus a more secure location it is recommended that you keep your Wesleyan ID with you at all times. It is highly recommended that ALL members of the Wesleyan community sign up for the Wesleyan Alert system.

If a student is immobile and in a wheelchair on a floor that is inaccessible to the path of exit and cannot use the elevator due to a fire alarm, the student must locate themselves in the stairwell area. The stairwell area will become the area of rescue assistance for the student. The student should call Campus Safety at 478-960-7969 or 911 to give an exact location. Campus Safety or fire personnel will decide whether people are safe where they are, and will evacuate them as necessary. The Fire Department may determine it is safe to override the rule against using elevators.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

See [Records and Privacy Policy](#).

FREEDOM OF EXPRESSION

The free and open exchange of ideas is essential both to American democracy and an academic community. Therefore, Wesleyan College supports the broadest possible latitude to speak, write, listen, challenge, and learn. Except insofar as limitations on that freedom are necessary to the functioning of the College, the College fully respects and supports the freedom of all members of the Wesleyan College to discuss any problem that presents itself. While maximum latitude is provided for the expression and exploration of ideas, all individuals are forbidden from defacing College or personal property, physical intimidation or harassment, or disruption of ordinary campus activities, such as classes or work by employees. Therefore, the College may reasonably regulate the time, place, and manner of expression to ensure that it does not disrupt the ordinary activities of the College. Students must still uphold the Honor Code and Code of Conduct while expressing their right of Freedom of Expression. See full Freedom of Expression Policy [here](#).

GRADE APPEAL PROCESS

See the College Catalog for the [Grade Appeal Process](#). Grade Appeals must be initiated within five working days after the Registrar's Office has posted grades for the term in which the course was taken. To file a grade appeal, complete the [Grade Appeal Form](#).

HATE CRIMES

Wesleyan College is a hate crime-free campus. We, as a community, do not tolerate acts against another human being or our property.

A hate crime is considered an offense to a person or property, intimidating that person on the basis of race, color, national and ethnic origin, sexual orientation, age, religion, creed, disability, marital status, pregnancy, status with regard to public assistance, veteran status, citizenship status, sex, genetic information, gender identity, gender expression or other status protected by state or federal law.

Hate crimes can occur in, but are not limited to, any of the following ways:

- ❖ Intimidating or threatening behavior putting a person in fear of imminent physical harm (assault, threats to commit certain harm); or
- ❖ A physical attack (assault and battery, as well as other violent crimes such as murder, manslaughter, and rape); or
- ❖ Damage to property (arson, vandalism)

Should any member of our campus community experience any such action against themselves or others they should report the situation immediately to Campus Safety who will contact the appropriate resources. Students found responsible for a hate crime may be immediately suspended or expelled from the college with no refund of fees. The Dean of Students Office reserves the right to interim suspend any student during the Wesleyan College conduct process, which may be reversed following the completion of the process.

HAZING POLICY

Hazing in any form, with respect to any college activity, is prohibited. Hazing means to subject a student to any activity which endangers or is likely to endanger the physical, mental or emotional health of the student or to produce mental or physical discomfort, fear or stressful situations, embarrassment, harassment, or ridicule, regardless of a student's willingness to participate in such activity. Hazing may include, but is not limited to the following, whether conducted on or off campus:

- ❖ the use of alcohol;
- ❖ paddling in any form;
- ❖ creation of excessive fatigue;
- ❖ physical or psychological shocks;
- ❖ quests;
- ❖ treasure hunts, scavenger hunts, road trips;
- ❖ wearing of apparel in public which is conspicuous and/or not normally in good taste;
- ❖ wearing full facial masks or completely covering the face with paint;
- ❖ pouring food or any substance on a student;

- ❖ tattooing or piercing the body;
- ❖ placing food or other items in students mouths and/or causing students to swallow or gag;
- ❖ engaging in public stunts and buffoonery;
- ❖ morally degrading or humiliating games and activities;
- ❖ any other similar or related activities which are not consistent with the policies and regulations of Wesleyan College.

Any student who engages in hazing will be reported to the proper authorities for criminal prosecution under Official Code of Georgia § 16-5-61, the violation of which shall be punished as a misdemeanor of a high and aggravated nature.

In addition, and notwithstanding any criminal prosecution, such students may be fined (minimum \$100), suspended, or expelled from the College by the Dean of Students with an appeal to the Provost. Other restrictions are at the discretion of the Dean of Students.

HOVERBOARD POLICY

Due to fire and campus safety concerns, Wesleyan College prohibits the use and/or storage of self-balancing scooters, more popularly known as hoverboards. Hoverboards include self-balancing scooters, battery-operated scooters, and hands-free segways.

ID CARDS AND BADGES

All Wesleyan College students are required to obtain and carry their ID card in order to take advantage of various campus services and for identification purposes. Your student ID, with its badge and barcode, is encoded with your student data. This data entitles you to enter your residence hall and other restricted-entry campus buildings, check out books from the library, access the dining hall, ride campus transportation, and cash a personal check in the Business Office.

It is imperative that you carry your Wesleyan ID Card with you at all times. The Wesleyan College ID card is non-transferable. Any student who uses another persons' ID card or allows their ID card to be used by someone else is subject

to disciplinary action. Found or damaged Wesleyan ID cards should be returned immediately to the Student Affairs Office in OSP or Campus Safety. The cost for replacing a lost Wesleyan ID card is \$10.00 and the cost of replacing a lost key badge is \$5.00 and must be paid when the replacement card is issued. All lost or stolen ID cards must be promptly reported to the Office of Student Affairs. A student must comply when asked to produce a student ID card for identification purposes by a Campus Safety Officer or College Administrator. You may order a replacement ID card and/or key badge on [Wesportal](#) -> "Forms" tab -> Miscellaneous Forms -> Replace ID or Key Badge, whereupon, you will pay online and specify your preferred delivery for your replacement item(s). If you cannot find your ID, then on Wesportal, you may click "Wesleyan Info" to view your ID card and use the barcode to scan for your dining hall meals, convocations, or Library items. Photos may be updated with your webcam or camera, but we will only print your ID with that photo if it meets the established criteria; otherwise, we will need to take a new photo in Student Affairs before printing your ID. A tutorial on how to take a photo suitable for the Wesleyan ID card is on the website, [here](#).

INSURANCE

MEDICAL INSURANCE

Full-time students and all residential students are required to have verification of adequate health insurance for the calendar year, starting August 1, and remain insured for the entire academic year. The health insurance policy must include coverage for accidental injury and hospitalization in Macon, Georgia, as well as coverage of required vaccines, prescription drug coverage, and routine preventative care.

- For students *with* active health insurance policies, a waiver verifying adequate health insurance must be completed annually before the designated due date.
- Students *without* existing health insurance may enroll in the college student health plan before the deadline.

Students who do not obtain an approved waiver before the deadline will be automatically enrolled and have the nonrefundable health insurance annual premium charged to their college account.

The Wesleyan College student health insurance policy is currently provided through United HealthCare Student Resources. [Full policy information and benefits can be found on the insurance landing page](#) and information is updated before each academic term under the header "Notification of Insurance Requirement" on the "Student" page of Wesportal.

PROPERTY INSURANCE

The College is not an insurer of students' personal property. Students are encouraged to determine whether their parents' property insurance extends to students' personal effects while at Wesleyan. If not sufficient, students should consider a personal property insurance policy. Damage, loss, or theft sustained to personal property while living in the residence halls is not covered by the college regardless of the origin of such loss. For more information, please see the Housing Contract.

Wesleyan College prides itself on the beauty of our historic campus and grounds. Members of the Wesleyan community are strongly encouraged to dispose of any trash, waste or disposables into the appropriate trash receptacle. When applicable, recyclable materials should be disposed of into the appropriate recycling container. Students who fail to place trash into its appropriate receptacle will be fined \$25 per offense. Repeated violations will be referred to the Wesleyan College Conduct process.

MEDICAL ADMISSION TO THE BEHAVIORAL HEALTH HOSPITAL

Students who are admitted to the behavioral health hospital for any length of time are required to provide documentation to the college from a physician that states that the student is cleared to return to campus, is not a harm to themselves or others, can live independently on their own and is ready to return to a full course load prior to being permitted to return to campus. Upon return, students will be required to sign a Safety Contract with the Assistant Dean of Students for Support, Health & Wellness and meet with the college's Licensed Professional Counselor for two sessions.

MEDICAL AMNESTY FOR ALCOHOL AND OTHER DRUG USE

Wesleyan College supports a safe and inclusive environment that promotes academic and student success. A Medical Amnesty Policy benefits our campus by encouraging students to make responsible decisions in seeking medical attention in serious or life threatening situations that result from alcohol and/or other drug use or abuse in any situation where medical treatment is reasonably believed to be appropriate. The purpose of this policy is to encourage individuals to seek needed medical attention for students experiencing an alcohol or other drug related emergency and to diminish fear of conduct sanctions in such situations.

The College complies with the Drug Free Schools and Campus Regulations and prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol. The Student Code of Conduct details additional College policies on alcohol and drug use.

In serious or life-threatening situations where alcohol poisoning or drug overdose including incapacitation is suspected or where other medical treatment is reasonably believed to be appropriate, it is important to get the student immediate medical attention by taking the following steps:

1. Call 911
2. Call Campus Safety (478) 960-7969
3. Stay with the person until help arrives
4. Be prepared to give the emergency medical personnel as much information as possible including the amount and type of alcohol or substances consumed.

As long as the situation is actively reported and not discovered after the fact, any student involved in this incident will not be required to participate in the conduct process*. Those parties involved with an alcohol and/or other drug situation will be required to meet with a professional staff member in the Department of Residence Life within five business days of the incident. The staff member, after evaluating the situation, will determine appropriate education actions for the student per the College's Alcohol and Other Drug policy. No conduct proceeding or sanction will be listed on the student(s)' conduct records, unless the student(s) refuses to meet with the professional staff member or does not complete the educational sanction as determined.

Repeated use of this Medical Amnesty Policy may result in judicial proceedings and sanctions. Any decisions made by outside law enforcement in regards to the reported medical concern and possible violations of alcohol and illegal drug laws are separate from this institutional Medical Amnesty Policy.

*The Medical Amnesty policy does not apply to other prohibited behavior (including but not limited to: distribution of illegal substances; harassment; physical misconduct; sexual misconduct, discrimination, etc.)

MEDICAL TRANSPORT

College personnel will not transport a student to a medical facility for care. For emergencies, 911 should be called immediately. For a non emergent need for medical care and transportation, students should contact the Assistant Dean for Student Support, Health, and Wellness during regular business hours for assistance in securing transportation. The student will be responsible for the cost of transportation. If 911 is contacted and the student refuses to receive care or transport, college staff will not take responsibility for the well-being of the student. 911 will be contacted if the is unresponsive, unconscious or uncooperative; the College assumes no legal or financial liability for the decisions of the responding medical personnel.

NON-SEXIST AND INCLUSIVE LANGUAGE

At Wesleyan College we encourage all members of our community to use non-sexist/inclusive language.

Wesleyan encourages all students, faculty, staff, administrators, and other campus constituents to honor all individuals' preferred pronouns. While Wesleyan continues to laud the values of women's education with words like "sisterhood" and "herstory", we recognize that not all of our constituents identify with feminine pronouns. Therefore, all members of the community should be respectful of individuals' pronoun and name preferences.

Purdue's OWL has more information on [gendered pronouns and singular use of "they"](#). Additional information can be found on the National Council of Teachers of English website.

NOTIFICATION OF PARENTS

In any serious matter involving the student's welfare, including but not limited to medical and mental health emergencies the College reserves the right to notify the parents and guardians.

PAINTING POLICY

The College encourages creativity via painting crafts, gifts, signs, sisterhood activities, etc. It also acknowledges painting items may have the unintentional results of paint overspray on various surfaces. Therefore, painting items is prohibited in the stairwells, on walkways, hallways, lounges, roads, parking lots, patios, etc. Painting items is limited to natural grassy areas away from buildings. When painting in these approved areas you are required to have cardboard or other material to catch the paint overspray and preserve the grass. Students should talk with a member of Maintenance/Custodial or Student Affairs to discuss approved areas for painting, prior to painting any object.

PARKING POLICIES

All students are permitted to have a car on campus. Students must abide by the parking and traffic regulations set forth by the college which will be enforced by Wesleyan Campus Safety. If a student intends to have a car on campus:

- ❖ All cars must be registered with the college and a Wesleyan vehicle decal must be displayed on the back window at the lower driver's side corner (or if the back window is too dark for clear visibility, the decal must be displayed in the front windshield at the lower driver's side corner). Vehicle decals are free of charge. All students without a vehicle decal will be ticketed. Student parking spaces are not reserved, but are available on a first come, first served basis. Decals are available in the Office of Student Affairs, located in OSP.

- ❖ If students, faculty or staff members need to park in an unauthorized area, temporarily, they need to contact Campus Safety for authorization, and instructions. If Campus Safety observes cars parked in unauthorized areas, and they have not been informed or given approval, the vehicles will be ticketed and/or towed.
- ❖ All parking along the Quad area should be authorized by Campus Safety. There is no area of the Quad that should be assumed to be authorized for parking, and is only temporary as directed by Campus Safety. Temporary parking is only allowed in the roundabouts on each end of the quad. The two-way lane should not be blocked.
- ❖ The campus speed limit is 15 m.p.h.

POSTED MATERIAL POLICY

To publicize events on and off campus (i.e., flyers, posters, etc.), the Student Affairs Program Coordinator must review and stamp these items before they can be posted. On-campus publicity must be posted on designated bulletin boards in campus buildings. Flyers should not be placed on glass windows and doors. Additionally, any publicity to be placed in the residence halls must be given to the Department of Residence Life for proper placement. It is the responsibility of the person or organization posting the flyers or doing the publicity to remove the item(s) in a reasonable amount of time following the conclusion of the event. Publicity will be removed in the case of outdated or unapproved information.

Students cannot publish or distribute material that is offensive. Offensive is defined as material that meets any of the following criteria, or material that is deemed unacceptable by college officials:

- ❖ The average person, applying contemporary community standards, would find the material obscene.
- ❖ The publication depicts or describes sexual conduct.
- ❖ The work, taken as a whole, lacks serious informative, literary, artistic, political, or scientific value. The publication or material contains libelous statements and/or disregard for the truth.

- ❖ The material causes a disruption of college life.
- ❖ The material includes references to alcohol/drugs or the use of alcohol/drugs.

The Student Affairs Program Coordinator is responsible for overseeing the publicity policy and can take appropriate action for violations.

RECORDS AND PRIVACY POLICY - FERPA

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Wesleyan College recognizes the privacy rights of students with regard to their education records in compliance with the Family Educational Rights and Privacy Act of 1974 as Amended (FERPA), commonly called the Buckley Amendment. As it states, after a student becomes 18 or attends a post-secondary educational institution, all rights of the parents are transferred to the student. All students in attendance at Wesleyan will be deemed emancipated and parents will not have the authority to inspect and review the education records of their student unless:

1. the student gives written consent to release information, or
2. the parents provide

Under this policy, students will be notified of grades (online), academic warnings, probationary status, and dismissal. Transcripts and other information from student files will not be disclosed without the prior written consent of the student, except as described in the full [FERPA Policy](#) located on WesPortal.

REMOVAL AND SUSPENSION FROM COLLEGE

Violation of college policies and procedures may result in discipline, which may include, but is not limited to, removal from residence halls, or suspension or expulsion from the College. For procedures related to student discipline and violations of College policies and the Honor Code, see Chapter Six of this handbook.

Students who have been suspended or expelled from the College may not return to campus or attend any on or off campus College sponsored events. Action is effective immediately upon the decision. Students who are removed must leave the campus within 48 hours (the Dean of Students can make exceptions). In case of student appeals, the action taken will be administered but can be reversed after the appeal has been heard. An individual found in violation of this policy will be escorted off campus by the Campus Safety or removed from the College activity. In addition, the individual may be prosecuted for criminal trespass.

RETALIATION

Retaliation against an individual who makes a report of a policy violation or assists in providing information relevant to a policy violation is a serious violation. For details and the full policy see the [Non-Retaliation Policy](#) as posted on WesPortal.

SERVICE ANIMALS

In compliance with applicable law, Wesleyan College allows service animals in all areas where the general public is permitted when the animal is accompanied by the individual with a disability who indicates the service animal is trained to provide, and does provide, a specific service to them that is directly related to their disability. A service animal is defined as any dog* individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability and meets the definition of “service animal” under the Americans with Disability Act (ADA) regulations at 28 CFR 35.104. Service dogs are working animals, not pets. The work or tasks performed by a service animal must be directly related to the student’s disability.

A dog is not a service dog if its mere presence benefits the individual with a disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

*Under particular circumstances set forth in the ADA regulations at 28 CFR 35.136 (i) a miniature horse may qualify as a service animal.

Students who wish to bring a service animal to campus are strongly encouraged to partner with Disability Services. Students residing on campus will be asked to complete the Service Animal Registration Form and Service Animal Contract.

Individuals outside of Disability Services will not ask about the nature or extent of a person’s disability, require medical documentation, require a special identification card or training document for the dog or ask that the dog demonstrate its ability to perform the work or task. Individuals may make two inquiries to determine whether an animal qualifies as a service animal when it is readily apparent that an animal is trained to do work or perform a task for an individual with a disability including:

- ❖ If the animal is required because of a disability
- ❖ What work or task the animal has been trained to perform.

Sexual Misconduct

All reports of Sexual Misconduct prohibited under Title IX that occur on College premises and at College educational programs and activities will be handled through the [Wesleyan College Process for Resolving Complaints of Sexual Misconduct](#). Any forms of sexual or gender-based discrimination and harassment concerning students, including sexual assault, domestic violence, dating violence, stalking, that occurs off campus and not within the College's education program or activity that would not be handled through the Title IX process, will be administratively managed by the Office of the Dean of Students through the student conduct process. Forms of sexual misconduct not covered under Title IX will be managed by the Office of the Dean of Students to include, but not limited to, sexual exploitation.

Sexual Exploitation

Sexual exploitation is an act or acts committed through non-consensual abuse or exploitation of another person's sexuality for the purpose of sexual gratification, financial gain, personal benefit or advantage, or any other non-legitimate purpose. The act or acts of sexual exploitation are prohibited even though the behavior does not constitute one of the other sexual misconduct offenses and will be addressed as a student conduct issue pertaining to a Wesleyan College student or the offense will be addressed according to the Faculty or Staff Handbook if the alleged perpetrator is a Wesleyan College employee of any association (third party, contract, volunteer...).

Examples of sexual exploitation include, but are not limited to:

- ❖ observing another individual's nudity or sexual activity or allowing another to observe consensual sexual activity without the knowledge and consent of all parties involved;
- ❖ non-consensual streaming of images, photography, video, or audio recording of sexual activity or nudity, or distribution of such without the knowledge and consent of all parties involved;
- ❖ prostituting another individual;
- ❖ exposing one's genitals in non-consensual circumstances;
- ❖ knowingly exposing another individual to a sexually transmitted disease or virus without that individual's knowledge; and inducing incapacitation for the purpose of making another person vulnerable to non-consensual sexual activity.

SHOPPING CART POLICY

Shopping carts (of any kind) are not permitted to be left on campus for any amount of time. Removing such carts from a shopping area is a crime. Violations of this policy will result in a \$25 fine on the first offense. Subsequent offenses will result in additional fines and referral to the Wesleyan College Conduct process.

SOCIAL MEDIA

The Internet is a powerful means of communication and is often used for developing and strengthening peer connections and expressing individual identities through online communities (Instagram, Snapchat, Facebook, etc.). While the College does not officially monitor social media websites, College officials may unintentionally encounter information reflecting inappropriate conduct by a member of the Wesleyan College community or inappropriate conduct captured on a social media website may be brought to the attention of College officials. Inappropriate conduct over the internet will be addressed through existing response mechanisms at the College, including, but not limited to, the Student Handbook, check the [Computer Information Resources Policy and Social Media Policy](#) on Wesportal.

SMOKING POLICY

Wesleyan College is committed to providing a safe, healthy, and amicable environment for all students, employees, and persons visiting the Wesleyan campus. In accordance with recommendations from the Georgia Smoke Free Air Act of 2005, the use of all forms of tobacco and smoke products on Wesleyan Properties is expressly prohibited. Further, the advertising, sale, or free sampling of such products on Wesleyan properties is prohibited unless specifically stated for research purposes. All events hosted by a Wesleyan entity and by outside groups on behalf of Wesleyan shall be tobacco and smoke free.

"Tobacco and Smoke Products" are defined as cigarettes, cigars, pipes, all forms of smokeless tobacco, clove cigarettes, and any other smoking devices such as hookahs, electronic cigarettes, or vaping devices.

Use of tobacco and smoke products is prohibited on all College grounds and in any outdoor area controlled by the College. This includes all College parking lots and parking ramps, athletic fields, tennis courts, and recreational areas. Entrance to the residence halls and/or door to door solicitation is strictly prohibited. Violations should be reported to Campus Safety immediately.

STUDENT CLUBS AND ORGANIZATIONS

All Wesleyan students are encouraged to participate in activities that will enhance their college experience. Through the Center for Leadership and Involvement, dozens of clubs and organizations are available to students. In addition, the Division of Student Affairs supports the Student Government Association as governance for student organizations on campus. For more detailed information, please refer to the [Student Organization Manual](#), available on WesPortal.

Additionally, all college-published editors and financed student publications shall explicitly state on the editorial page that the opinions are not necessarily representative of Wesleyan College or its student body.

Students residing in the residence halls have a set point to cool the space to 72 degrees. In a season requiring heat, your set point will be 70 degrees. This policy applies to classrooms and all other college spaces.

In the event students experience concerns with the operation of the heating and cooling unit servicing your room, they should place a work order with Physical Plant ([Appendix D](#)).

Tampering with the cooling/heating unit is prohibited. If a student is found to have tampered with the equipment or created conditions to manipulate the heating or cooling, they will be subject to a fine for unit replacement and may be sent to the Wesleyan College conduct process for further action.

ALCOHOL POLICY – STORAGE, POSSESSION AND CONSUMPTION IN THE RESIDENCE HALLS

For the complete Alcohol Policy, see [Chapter 3 - Alcohol Policy](#). For violations of the Alcohol Policy see Section 3 of the Code of Conduct.

ALCOHOL STORAGE, POSSESSION AND CONSUMPTION IN WESLEYAN COLLEGE RESIDENCE HALLS The possession and consumption of alcohol in the Wesleyan College Residence Halls is permitted only as set forth below:

 - Alcohol consumption is prohibited within the residence hall and apartment public lounges or on the porches.
 - Guests, including other students, over the age of 21 are permitted to drink inside the shared living space of each apartment or within personal rooms after all other apartment-mates or room-mates have agreed to permit alcohol consumption in the space. This agreement will be stated in writing, signed by each resident, and submitted to the Department of Residence Life. This agreement may be revoked at any time by the parties to the agreement and may be overridden by the College Officials at any time. See complete [Alcohol on Campus Policy](#) on WesPortal.

APARTMENT ELIGIBILITY

The Corn Apartments were built with the specific goal of creating an independent living environment to help start our upper class students in their transition to post-Wesleyan life. As such, priority for the apartments is given to senior students followed by junior students. Eligibility for the apartments is based on the number of earned credit hours. Meeting the credit hour minimum does not guarantee placement in the apartments.

The following credit hour guidelines will be used for apartment eligibility:

SPRING SEMESTER SIGN UP FOR FALL SEMESTER MOVE IN

Minimum of 40 hours earned at close of previous Fall Semester (i.e., Student **Must** have earned 40 credit hours by the close of Fall 2021 in order to sign up for the apartments during Room Selection Spring 2022. Students would Move in Fall 2022.)

VISITING AND CHILDREN STAYING OVERNIGHT

Children (siblings/family/friends) under the ages of 16 are not allowed to stay overnight on campus. Siblings and friends over the age of 16 may stay the night but must follow the Residence Life visitation policies. Exceptions of this policy may be granted upon request to the Dean of Students. Wesleyan College is not responsible for any visitors on campus.

BALCONIES, PORCHES, AND WINDOWS

Students are not allowed to hang articles from balconies, porches, windows or rails of the residence halls or apartment buildings. No inappropriate furniture or personal belongings are allowed in these areas. Students will be asked to remove belongings immediately. For personal safety reasons, students are prohibited from sitting on the ledges of porches, windows, balconies, or railings. For the protection and safety of all students, objects are not to be thrown over or off of balconies, windows, porches or rails. Students caught throwing objects off balconies, etc. are subject to removal from the residence halls with no refund of fees and full payment of room and board required. In order to respect the rights of others and to keep noise to a minimum, students should refrain from gathering in groups on balconies, etc. Smoking is not permitted on any balcony, building or room. Lounge furniture and room furniture is prohibited on the balconies and should not be removed from its respective area.

BED BUG PROTOCOL

The staff of the Wesleyan College Maintenance/Custodial and Residence Life are committed to an effective and efficient response to students who suspect they may have bed bugs. For the safety and comfort of all students living in the residence halls, our staff will adhere to the following guidelines:

- ❖ As soon as a student suspects that they may have bed bugs, they should contact Residence Life. If another administrator or office learns of a potential bed bug problem, their first call should be to Residence Life.
- ❖ Residence Life will notify Maintenance/Custodial as soon as possible so that the College's exterminator can be dispatched to the location to perform an inspection of the bed(s) in the room. Please note that, should a student notify Residence Life on a weekend or holiday day, the Maintenance/Custodial staff will be contacted on the next work day. It is recommended that students contact Residence Life as early on a regular business day as possible. The exterminator cannot be dispatched on weekends or holidays.
 - Students who report suspected bed bugs on a work day when the exterminator can be dispatched within 24 hours will not be granted an immediate temporary room change, nor will they be issued a new mattress. This is crucial so that we can prevent the spread of bed bugs if they are found to be in the student's room and belongings. Residence Life staff will discuss short-term options with the individual student.
 - If the exterminator is unable to respond to the student's room to inspect within 24 hours, Residence Life staff may be able to provide a temporary location in which the student can sleep until the inspection can take place. This is based on the availability of space within the residence halls. Any student who is given a temporary relocation is required to wash and dry on the highest heat setting whatever clothing and linens they need to take with her for the night. Upon doing that, the student should shower and put on clean clothes. The clean laundry is all the student can take with her to the temporary room. We want to ensure that if there are bed bugs in the student's room, they do not travel to another room with the student.
 - Students may not, at any time, deny the College's exterminator or Physical Plant Staff access to their living space (including their bedroom, suite common space, kitchen, bathroom, etc.)
- ❖ Exterminator Findings
 - If the exterminator finds that there are no bed bugs present in the student's room or suite, then no further action will be taken. The student will be asked to continue monitoring her living space and to notify Residence Life immediately if there are further problems.
 - If the exterminator concludes that bed bugs are present in the room or suite, Residence Life will provide the affected student(s) with a detailed list of instructions for the removal and laundering of their personal items. If a student wishes to dry clean, or have her items laundered by an outside vendor, they are responsible for those costs.
 - Only the College's exterminator can confirm or deny the presence of bed bugs – not Health Services or any outside person.
- ❖ Bed bugs are a serious community health issue, and all students are expected to comply with all instructions given to them within 24 hours once bed bugs have been confirmed within their living space. Failure to comply may result in fines

and/or a referral to the Wesleyan College conduct process.

- ❖ If it is determined that bed bugs are present, the College will cover the cost of extermination for the first incident. A student, who experiences a subsequent, unrelated occurrence of bed bugs will be responsible for the cost of extermination.

Basic cable television access is not provided in each residence hall and/or apartment room. Students may not add cable service to their personal rooms. Students may be able to utilize streaming services based on their own subscriptions. The college will not pay for personal use of television streaming applications.

CAMPUS SAFETY

The residence halls and apartments are monitored on a regular basis by Campus Safety officers. Campus Safety is available 24 hours a day, 7 days a week, to assist students with a variety of issues. Campus Safety also offers an escort service for students needing to walk across campus during the evening and late night hours. Campus Safety will make rounds in the residence halls to provide safety and security in our residential buildings. Campus Safety can be reached at 478-960-7969.

CANDLES AND INCENSE

Candles and incense are prohibited in the residence halls and apartment buildings. These objects present extremely dangerous fire hazards and may also produce an odor that could disturb other residents. Candle warmers with an open heating element or open flames are not allowed. Any candles or incense found in the residence halls or apartments will be removed by residence hall staff, and the student will receive a \$50 fine and go through the Conduct Process.

CLEANLINESS/HEALTH AND SAFETY INSPECTIONS

For health and safety reasons, residence halls and apartment rooms must be kept in a reasonable state of cleanliness at all times, and all trash must be disposed of in the proper receptacles. Residence Life staff will conduct periodic health and safety inspections at least once per semester. When possible, students will be given at least 24-hour notice prior to these inspections (via flyers or emails). However, unannounced inspections may occur if there is information concerning the violation of a Residence Life or College Policy. Students living in rooms not complying with health and safety standards will be given 24 hours to correct the problem, at which time, if the problem has not been corrected, the student(s) will be fined \$25 per day for non-compliance and will still be required to fix the issue. If a policy violation is in plain sight during a health and safety inspection, Residence Life Staff may confiscate any unauthorized item(s). Students who continue to violate policy will go through the Conduct Process. Continued violations of health and safety inspections may result in a student's removal from the residence halls with no refund of fees and full payment of room and board required.

CONDUCT TOWARD RESIDENCE LIFE STAFF

Students must be respectful of Residence Life Staff members. Abusive language or intimidating behavior of any kind will not be tolerated. Students who feel that they have been treated inappropriately by a Residence Life staff member should report such incidents to the Assistant Dean & Director of Residence Life. (For complete policy regarding [conduct toward college officials](#), see the Campus Policies section.)

DIMENSIONS

Dimensions of each room and window vary depending on each residence hall and apartment building. Slight variations within each hall occur due to room placement. For general dimensions, please contact Student Affairs.

DRUGS – SUSPICION AND SEARCH OF RESIDENCE HALLS

If a staff member (Assistant Dean & Director of Residence Life or other professional Student Affairs staff) has reason to suspect drugs are present in a student's room, the staff member may conduct a search of the student's room. This applies whether or not the student is present at time of entry. The staff member conducting the search will call Campus Safety for assistance. The staff member will conduct a visual search of the room as well as a search of any closets, cabinets, drawers, dressers, refrigerators or any other closed areas. If drugs are found to be present in any amount, the evidence will be turned over to Campus Safety who may then send the evidence to the appropriate agency for processing. Residence Life Student Staff members who suspect drug use after hours will work in conjunction with the Campus Safety and Student Affairs staff member on duty. The College reserves the right to contact local law enforcement when necessary. Students found responsible may be required to go through the Wesleyan College conduct process.

GENDER INCLUSIVE HOUSING

Residential students have the option to request to live in gender inclusive housing by selecting the “Gender Inclusive Housing” option on the housing application each year. Gender inclusive housing allows students of any gender combination to live in the same suites or rooms. The gender inclusive rooming option ensures that students who are transgender, intersex, or otherwise do not identify with the gender binary do not need to disclose their identity to the Office of Residence Life in order to be comfortable in their rooming situation. Housing requests are accommodated as space allows.

HALL MEETINGS

At the beginning of each semester, each residence hall and apartment building will have a mandatory hall meeting. During this meeting, residents will discuss and set community standards (i.e. quiet hours). At this time the RAs will also present important information regarding the regulations and policies governing campus living. Additional mandatory hall meetings will be conducted at the conclusion of each semester to discuss important closing procedures. Other mandatory hall or floor meetings may be scheduled throughout the semester. Students will be given at least 24 hour advance notice prior to a scheduled hall or floor meeting. Absences from mandatory hall meetings will be approved only for extenuating circumstances and if requested at least 24 hours in advance by the Assistant Dean & Director of Residence Life. If the student fails to notify the Department of Residence Life or misses the scheduled meeting without an approved absence, a \$10 fine will be assessed. A Resident Advisor may not excuse a student from attending any meeting.

HOUSEKEEPING/TRASH REMOVAL

Basic housekeeping services are provided in all residence halls and the apartments and for all hallways, lobbies, lounges, public or community restrooms and all public areas. Students are responsible for the cleanliness of their rooms and bathrooms. Trash should be discarded in the appropriate trash receptacles only. Trash and/or trash cans may not be placed in the stairwells as this is a fire hazard.

INTERNET ACCESS

Wi-Fi is provided in each residence hall and apartment room. Any issues or concerns with internet connectivity, printing, wireless access should be reported to the on-call Information Technology Assistant (ITA) for your residence hall, or email helpdesk@wesleyancollege.edu.

INSECT AND PEST CONTROL

The College has a contract for pest control in the residence halls and apartments, which includes spraying on a regular basis and in emergency and special circumstances. All residence hall rooms are sprayed prior to the beginning of each fall semester. Students can help reduce pest problems by sealing and storing all food items, bagging all trash, and keeping windows closed. Pest Control services will not enter individual rooms and apartments while they are occupied unless a work order for treatment or inspection has been placed. If your room needs additional pest control between routine sprayings, please complete a [Maintenance/Custodial Work Order](#). If special extermination procedures are needed, such as fleas, bed bugs, etc. due to the negligence of a student, it will be done so at the student’s expense. Students are encouraged to keep a supply of pest control products for their personal use.

INSURANCE

The College is not an insurer of students’ personal property. Students are encouraged to determine whether their parents’ property insurance extends to students’ personal belongings while at Wesleyan College. If not sufficient, students should consider purchasing a personal effects insurance policy.

KEYS AND BADGE ENTRANCE TO RESIDENCE HALLS

Students will be issued a key to their residence hall room or apartment upon check-in. Room keys are the property of Wesleyan College and may not be duplicated. Due to safety reasons, if a student loses the key, the student must notify the Office of Residence Life immediately. If the student cannot find the room key within 3 days, the student will be charged \$50 for the key replacement for room keys. If a student should find the original key after charges have been made, a refund cannot be given due to the fact that the necessary supplies have already been purchased and used by the Maintenance/Custodial staff. Any key not returned upon move out will be treated and charged like a missing key. Students may not loan their keys to

anyone for any reason. Students found violating this policy should be reported to the Department of Residence Life. Additionally, students should not deface their keys (for example, by painting them). A student who returns keys that have been defaced will be fined \$10 per key. Keys that cannot be properly restored to the state in which they were issued will be replaced, and the student will be fined \$50.

ID CARD ACCESS

Each student will be issued an ID card with a badge. This badge will be used to access your assigned residence hall or apartment. Badges will be activated at the beginning of each semester. If students are unable to access their building, concerns should be reported to Students Affairs or Resident Advisor (RA) on Duty. Students are required to report lost or stolen ID cards & badges promptly to the Office of Student Affairs. ID cards or badges should never be loaned to other students or guests. Students found in violation of this policy will be fined \$25.

KITCHEN USE

Kitchen facilities including microwaves, stoves, ovens, refrigerators, and sinks are available in the residence halls. Students may not cook in their residence hall rooms due to the potential risk of fire other than in an approved microwave. Students utilizing kitchen facilities must never leave cooking food unattended. It is the responsibility of the resident to completely clean the kitchen after each use. If kitchens are not kept clean or kitchen privileges are abused, the kitchen may be closed temporarily or permanently at the discretion of the RA and Assistant Dean & Director of Residence Life. The housekeeping staff will not clean any publicly used fridge, oven, or microwave while school is in session.

- ❖ No personal belongings can be kept in the kitchen (other than food in the refrigerator/freezer). If personal items are found in the kitchen unattended, they will be disposed of immediately without notification. This includes, but is not limited to: clean or dirty dishes, food, appliances, etc. Students who wish to leave appliances in the public kitchens must be approved by the Resident Advisor (RA) and do so at their own risk. Wesleyan College is not responsible for any items placed in the community kitchens or lounges.
- ❖ All food stored in the community refrigerator/freezer must be labeled with name and date the item was placed in the refrigerator/freezer. Food can be stored for up to two weeks. If not labeled or removed after two weeks, food will be disposed of without notice. Under no circumstances should someone remove items belonging to someone else without specific permission. After each use the kitchen must be cleaned thoroughly for respect and sanitation purposes. This includes the stove, microwave, refrigerator, walls, floor, sink, etc. Violations will result in a minimum \$25 fine.

Consequences for violating the above mentioned policies will result in the individual penalties as listed. If responsibility cannot be determined, this will result in the closing of the kitchen for all members of the community. Violations may result in a referral to the Office of Student Conduct or individual loss of kitchen privileges.

LAUNDRY FACILITIES

RESIDENCE HALLS

Washers and dryers are provided for students in a central location in all residence halls. Only residential students are permitted to use the facilities. These facilities are available at no direct cost to students.

After the third lockout, the student will be assessed a fine of \$25 per lockout. Students will only be let into the room to which they have been assigned. No student can give permission or be granted entry into a room which is not their own.

LOCKOUTS DURING BUSINESS HOURS

If a student gets locked out of their room during normal working hours on a business day (8:30 am – 5:00 pm, Monday through Friday), the student should go to the Office of Student Affairs to be assisted by one of the staff members. They will complete the lock out by letting a student into their room.

Students are permitted to submit work orders pertaining to their personal living space. Facilities emergencies (i.e. overflowing toilets, electrical problems, door lock problems, etc.) should be reported immediately to Campus Safety at 478-960-7969. If after hours, students may call the RA on Duty at 478-461-7787/478-461-7788 for intermediate support. Maintenance/Custodial and Residence Life staff reserves the right to enter a student's room for any requested or necessary maintenance.

Meal plans are included in the cost of housing and cannot be reduced or removed. Students with special dietary needs should contact the Office of Disability & Advocacy Services to request an accommodation for a documented disability.

OCCUPANCY AND PRIVATE ROOMS

Housing in Wesleyan College residence halls is designated as double occupancy. Private rooms are not guaranteed from year to year and are only available if space allows. If a student does not have a roommate, they will be matched with another student through the consolidation process. If a student does not comply with the consolidation procedures, they will automatically be charged the private room fee (no prorating available). Additionally, any student who resides in a double occupancy room without a roommate with their personal belongings occupying the entire residence will be automatically charged the private room fee (no prorating available). The unoccupied space of a double-occupancy room must be ready for residents to move in at any moment.

PETS

For health reasons, sanitary concerns and space constraints, pets (with the exception of fish and aquatic animals that do not leave a tank and live completely underwater) are **not** permitted in the residence halls or apartments except for situations of accommodation made by the Office of Disability & Advocacy Services. Fish aquariums cannot exceed 10 gallons and must be cleaned on a regular basis to prevent odor. Stray animals (or animals that no one claims but are being housed or fed by students) must be reported to Campus Safety. No animal may visit or reside in a Wesleyan College residence hall without prior, written approval from the Office of Residence Life or the Office of Disability Services. A violation of this policy will require immediate removal of the animal and educational sanctioning such as community service. Failure to remove the animal within 24 hours or repeated violations will result in additional fines and possible conduct sanctioning through the Wesleyan College conduct process. Additionally, students will be financially responsible for any damages or additional cleaning services required from the violation.

Service Animals and Emotional Support Animals provide specific services for their owners and are not considered pets. Any student wishing to seek the approval of an emotional support animal must do so through the Office of Disability & Advocacy Services. Unauthorized support animals are not permitted in the residence halls. (See [Service and Emotional Support Policy and Agreement](#) on WesNet).

PUBLIC AREAS

Students are prohibited from storing personal items in any public area due to fire safety concerns, to include shoes. This includes but is not limited to hallways, lounges, study areas and stairwells. Items left in these areas unattended will be discarded by our cleaning services. Wesleyan College is not responsible for any items lost, stolen, damaged, or discarded.

QUIET HOURS AND COURTESY HOURS

Universal quiet hours for all residence halls and apartments are from 12am (midnight) – 8am. Buildings or floors may elect to establish different hours at the beginning of fall semester during the opening residence hall meeting. However, no building or floor may elect to shorten or eliminate the universal quiet hours. Students who do not follow quiet hours will be reported to the Assistant Dean & Director of Residence Life.

Out of courtesy and respect for your fellow building mates, reasonable quiet should be maintained in all residence halls and apartments at all times. Reasonable quiet is defined as the state in which noise does not carry from one area of the residence hall to another. This includes hallways, stairwells, restrooms, as well as individual rooms. Residents have the right to ask

fellow students and guests to lower their volume even when quiet hours are not in effect.

ROOFS

Students are not allowed on the roofs of any residence hall or apartment buildings due to the danger to personal safety.

ROOMMATE/SUITEMATE CONDUCT

Your enjoyment of life in the residence halls and apartments will depend, to a large extent, on the thoughtful consideration you demonstrate for your roommate(s), suitemate(s) and neighbors. To be a mature adult is to accept responsibility for the welfare of others. Each resident is strongly encouraged to establish a contract with her roommate(s) and suitemate(s) to ensure that the interests of all are considered. The RAs can assist with this process and are available for assistance in settling conflicts. Basic conduct of roommate(s)/suitemate(s) include the following:

- ❖ A clean living area.
- ❖ Respect for roommate(s) and suitemate(s) personal belongings.
- ❖ Reading and studying while free from undue interference in one's room.

ROOM PERSONALIZATION

Students are encouraged to create a comfortable living environment in their room. Residents are not permitted to paint or make any other alteration to any surface within the living space provided to them by the college. Residents may look to the following guidelines when decorating their room.

ADHESIVE

Students should use caution with using adhesive to affix items to their walls and doors. Tape and other adhesives are not permitted as they will pull off paint and damage walls. Any damage caused by adhesive will be charged to the student for repairs. As designated by the Fire Marshall, wall and door coverings must not cover more than 35% of any given surface.

DECORATIONS

Flame retardant materials are strongly encouraged when purchasing your comforter and window treatments. Items may not be attached to the ceiling (i.e. nets, flags, sheets, etc.). Live Christmas trees are not permitted in any residence hall room or apartment. Decorative lights with low heat bulbs and flame-retardant materials may be used to decorate. Dry erase boards or other message boards may be hung on residence hall doors but students must refrain from posting material that would be considered offensive to others. Material displayed in visible areas is subject to the approval of the Residence Life staff. If deemed unacceptable, the student will be required to remove the unacceptable materials immediately.

FURNITURE

Feel free to arrange the furniture provided by the College in your residence hall room or apartment to your liking. You may add your own furniture to the room but College furniture must remain in your room at all times and cannot be placed in storage or removed from its designated area. Upon check-out, all furniture must be put back together and arranged as found upon check-in. Fines will be assessed upon room inspection or checkout for any missing, broken, or damaged furniture. Any furniture that is not assembled in the manner at which it was found will also result in a fee assessed to the student (i.e. disassembled or inappropriately stacked/stored furniture). Residence hall and apartment lounge furnishings are provided for the use and comfort of everyone living in the building. This furniture must remain in these areas at all times. If a student moves furniture out of these areas and into a residence hall room or other location, the student will be fined \$50 per offense. Additional sanctions may be imposed if necessary. Students may use appropriate bed risers to raise their bed off of the floor however cinder blocks are not to be used to elevate beds or other furnishings provided by the College. Waterbeds are not permitted in the residence halls or apartments.

LOFTS AND BUNK-BEDS

For Hightower and Banks Residence Halls, lofting kits are available by request. Lofts and bunk-beds are not permitted in all other Residence Halls and apartments.

NAILS AND THUMBTRACKS

Students are permitted to use 1-1 ½ inch finishing nails (penny nails sized 2d, 3d and 4d) to hang posters and pictures on the walls. No more than 10 nails are permitted per wall. If more nails or other materials are used, students will be charged for

damages at the end of the year upon checkout. If nails are present in walls after check-out students may be charged additional fees for removal. Students are permitted to use thumbtacks in order to decorate their rooms.

SERVICE AND EMOTIONAL SUPPORT ANIMALS

Wesleyan College recognizes the importance of Service Animals as defined by the Americans with Disabilities Act As Amended (ADAAA). Those students recognized through the Office of Disability Services as having a Service Animal will enjoy equal access to housing facilities and Residence Life activities.

The College also recognizes the need for some students to have an Emotional Support Animal (ESA), defined by the Fair Housing Act as an animal that performs tasks and provides benefit to an individual with a disability. No animal may visit or reside in a Wesleyan College residence hall without prior, written approval from the Office of Disability Services or the Department of Residence Life. A violation of this policy will require immediate removal of the animal and educational sanctioning such as community service. Failure to remove the animal within 24 hours or repeated violations will result in additional fines and possible conduct sanctioning through the Wesleyan College conduct process. Additionally, students will be financially responsible for any damages or additional cleaning services required from the violation.

Wesleyan will not limit room assignments for Approved Animal owners. It is the responsibility of the owner to communicate with roommates and suitemates about allergies or other conflicts with the animal. The Office of Residence Life is committed to making assignment changes as needed for reasonable accommodations. Wesleyan will not require an individual with a disability to pay a fee or surcharge for the Approved Animal, but the owner will be financially responsible for any damage to College property caused by the animal.

Owners of Approved Animals are required to pick up all animal waste on College grounds caused by their animal. The first violation of this policy will result in a \$50 fine; the second violation will result in a \$100 fine; and any further violations may result in removal of the animal from campus. Any flea or other pest treatments will result in a \$450 fine. Carpet replacement will vary due to the extent of damage.

For more information on Approved Animals, consult the [Service Animal and Emotional Support Animal Policy and Agreement](#) found on Wesportal.

SEVERE WEATHER

All students should be aware of and prepared for hazardous weather conditions including tropical storms, hurricanes, tornadoes, snow, sleet and ice. If severe weather conditions should occur, the Residence Life staff will call hall or floor meetings to advise students of further necessary actions (i.e. evacuation, consolidation to a safe place, etc.). Students are required to follow the instructions of the College staff in such cases. For more information on the [Wesleyan College Emergency Management Plan](#) see the Wesleyan College website.

EMERGENCY SIREN

If the state emergency siren sounds at any time other than the regularly scheduled monthly test, on the last Wednesday of the month at 11:00 a.m., students should immediately go to the interior hallways of the lowest floor of their residence hall or apartment building and wait for further instruction from a Residence Life staff member or other College official. Students should stay away from windows and exterior doors. Regularly scheduled drills may be conducted as deemed necessary. Failure to leave the building or gather in the appropriate designated area upon alarm sounding will result in a \$100 fine.

TORNADO

Upon notification of a tornado warning:

All persons will proceed to a tornado safety location inside their buildings, assisting those that need assistance, and ensuring that those under their jurisdiction also go to the safety location. Whenever possible, employees will maintain an approximate headcount of the persons from their areas. All building occupants are to remain in the safety location until the Tornado Warning has expired or until notified that the danger has passed.

A Tornado Safety Location is one that:

- ❖ Has no windows
- ❖ Is on the lowest possible floor of a building
- ❖ Has no exterior walls

Residential Tornado Safety Locations: Emergency Assembly Area

Banks - Basement level laundry room.

Corn Apartments – 1st floor hallway away from lobby and stairwells, close emergency doors at

stairwells.

Hightower – Basement level in the middle of hallway away from stairwells and laundry room.

Jones – Basement level in the middle of hallway, away from stairwells and laundry room.

Persons – 1st floor hallways away from stairwells, close all room doors.

Wortham – Laundry room.

SMOKE DETECTORS/ALARMS

Smoke detectors/alarms are provided in each residence hall room and apartment and are maintained by Maintenance/Custodial. If you hear an intermittent beep from a smoke alarm, it means the battery is low. **Do not remove the battery or attempt to change the battery!** Please submit a [Maintenance/Custodial Work Order](#). Decorative items (i.e. banners, posters, etc.) are **not** permitted to be hung from or over smoke detectors or sprinklers.

SMOKING

Smoking is not permitted in the residence halls or on residence hall balconies and porches. For the complete policy, see the [College Policies](#) section.

SOLICITATION

Wesleyan College does not allow door-to-door solicitation of products or services in the residence halls or apartment buildings or electronic solicitation via email. If you should encounter a solicitor in the residence halls and apartments, notify Campus Safety immediately.

STORAGE

Due to space limitations and regulations governing fire safety, the college does not offer permanent storage for students. If storage is made available during the summer months, it will be designated on a first come-first served available basis for those students who qualify. Priority is given to those students who live abroad and cannot travel home with their personal items. If able to utilize storage, students must comply with all policies and fees as outlined in the storage contract.

TELEVISIONS

There are televisions in common areas in each residence hall. Service problems with the television should be communicated to a Residence Life staff member. This amenity is provided with the understanding that all students will respect college property. Damaged or missing equipment will be charged to the student(s) involved.

VANDALISM AND COMMON DAMAGES

Destructive behavior of any kind is not tolerated in the residence halls or apartment buildings. Students will be held responsible for damages individually or in a group. Students who participate in acts of vandalism are subject to removal from campus housing with no refund of fees and full payment of room and board required. Additionally, students found responsible for vandalizing college property will be responsible for the repaying of damages. When vandalism or damage occurs on a floor or to any part of a residence hall or apartment building, Residence Life staff will make every effort to determine who is responsible. If the person(s) responsible is identified, the student(s) will be sanctioned according to the nature of the vandalism. In the event that the individual(s) responsible cannot be determined, the residents of the area will be notified of the vandalism or damage and will be given a specified period of time in which to report any information regarding the incident. If this fails to yield any information about the person(s) responsible for the vandalism or damage, a minimum fine or total cost of the repair or replacement value of the vandalism or damage will be split equally among the residents of the affected area.

WINDOWS

In an effort to be sensitive to the Wesleyan community, objects are not permitted to be hung from the inside of windows that are visible on the outside. Objects are not to be thrown from windows of the residence halls or apartments. Window screens are to be properly installed on each residential window and may not be removed unless there is an emergency. Missing window screens should be reported to [Physical Plant Work Order](#).

GUIDELINES FOR ROOM USAGE AND ACCESS

ACCESS TO RESIDENCE HALLS AND APARTMENTS

In order to provide a safe and secure residential environment, all residence halls and apartment buildings are locked 24 hours a day. Students are issued keys by Residence Life staff at check-in and are required to return the keys to Residence Life staff upon checkout. Students are not permitted to use their key to enter a residence hall in which they do not reside and may not loan their key to anyone at any time. Residents who are found to have loaned their key or ID card to any person will automatically incur a \$25 fine upon the first offense. Subsequent offenses will be referred to the Wesleyan College Conduct process. Each residence hall and apartment building has several designated entrances that can be opened only by the entrance badge of a student living in that particular building. Propping open doors compromises the safety of everyone in the residence

hall and is considered a residence hall violation. A fine and/or additional sanction may be imposed depending on the circumstances of the situation. Continually propping open exterior residence halls or apartment doors can result in a student's removal from campus housing with no refund of fees and full payment of room and board required. Pounding on residence hall or apartment building doors creates a distraction for students living in the hall and is not permitted.

ACCESS TO STUDENT ROOMS BY COLLEGE STAFF

College staff reserve the right to enter a student's room at any time to make periodic inspections of residential facilities or when acting in an official capacity on behalf of the College. This applies regardless of whether or not a student is present at the time of entry. If staff should enter a room and notice in plain sight evidence of a violation of College policy, the staff may take that evidence and refer the incident to the appropriate judicial board. If an item is taken when a resident is not in the room, they will be promptly notified.

BREAK HOUSING (SEMESTER)

Each year the Wesleyan College residence halls and apartment buildings close for the Semester Break in December. These dates are published in the College Calendar and the Student Handbook.

We encourage students to make travel arrangements that coincide with the College breaks. However, we also understand that extenuating circumstances may arise requiring a student to stay late, return early, or remain on campus during a break period. If a student has special circumstances requiring that they stay late, return early, or remain on campus during a break period they should follow the Semester Break Housing procedure listed below.

- ❖ The student should contact the Department of Residence Life as soon as possible to discuss the special circumstances and request permission to stay late or return early however, requests must be submitted in writing at least three weeks prior to the beginning or ending date of a break date or by the designated deadline set during a break housing application process.
- ❖ The request will be reviewed and notify the student if an exception has been granted.
- ❖ Students who need housing during the semester break will be charged a set fee to cover the cost of utilities which will be utilized during this period.

Students remaining on campus during a break period will be required to follow all college and residence hall policies and regulations during their stay. In addition, they will be required to sign an early arrival/late stay agreement outlining additional rules for the break period. No meal service will be provided during semester breaks.

For safety and security reasons, in addition to a decrease in staff coverage and minimizing the use of utilities during break periods, students may be consolidated to designated locations or may not be able to stay in their regular residence hall rooms or apartments.

CHECK-IN

Upon the beginning of each academic year, every student must check-in to her residence hall or apartment with a Residence Life Staff member. The check-in process requires completing the Residential Emergency Contact Form, signing the Handbook Acknowledgement form, receiving a room key and completing the Room/Apartment Condition Form. Each student will be provided instructions on how to complete the Apartment or Room Condition form for their assigned living space. This form must be completed within 48 hours of receiving keys and it is the responsibility of the student to make sure that the room/apartment condition form is thorough and lists all current damages in the room. For more information on the Room Condition Form please view the appropriate information in this section. Students must follow the same check-in procedure during the summer months, if applicable.

CHECKOUT

Before a student vacates their residence hall room or apartment, they must make an appointment with their RA to officially check-out of their room at least 24 hours prior to their desired departure. The RA will compare the room/apartment condition form filled out at the beginning of the year, to the condition of the room at checkout. Any differences or discrepancies will be noted on the room/apartment condition form and will be presented to the student to sign during check-out. In the event of a double occupancy room or shared common space in the apartments, the check-out condition of all roommates' forms will be compared for any discrepancies or damages which were not visible at the time of the other roommate's checkout. All changes will be reported to Maintenance/Custodial Services who will review each case and determine if an actual damage has occurred. In the event of actual room damage the student will be billed at the cost to repair the damage. Damages are applied to a student's account approximately 6 to 8 weeks after the conclusion of the semester. Students are responsible for reviewing their account on the portal after this point and should contact the Department of Residence Life with any questions concerning room damages and fines.

Students must follow the same check-out procedure during the summer months. Failure to sign up for a check-out time, failure to attend a scheduled appointment, or failure to vacate the residence hall by the designated time will result in a minimum \$25

fine being charged to the student's account. Other fine information related to checkout is listed in the check out procedures distributed to residents prior to hall closings. Under no circumstances may a student leave their keys in their room upon check out. This will be considered an automatic improper check out and students will forfeit their right to appeal any damages found in their room. Any items left in student rooms after check out with Residence Life will be discarded and the resident(s) may be charged a minimum cleaning fee of \$100.

Students who check out during the year due to withdrawal must check out by 5 P.M. on the day of scheduled check out. If the withdrawn student does not check out by the designated time, the student may be escorted off of the campus by Campus Safety and may be denied visitation privileges in the future.

HALL CLOSINGS

Following final examinations at the end of each semester, a student is required to vacate their residence hall room or apartment within 24 hours of their last exam or at the designated hall closing time, whichever comes first. Any extenuating circumstances preventing a student from leaving at the designated time must be made according to the exception policy designated at the end of the semester. Additional fees will be charged for late stays. At the conclusion of spring semester, students participating in commencement exercises may remain in their campus residence with permission until 12 p.m. on the day after commencement. All other students must vacate their rooms within 24 hours of their last exam, or by 10 a.m. the day following the last day of exams. Any student who has not vacated their room by the time of hall closing will be fined a minimum of \$50 per day they have not vacated.

NONTRADITIONAL AND GRADUATE STUDENT HOUSING

Requests for housing for non-traditional or graduate students must be submitted to the Department of Residence Life and will be considered on a case-by-case basis. Efforts will be made to place nontraditional and graduate students in housing that is with and around other nontraditional and graduate students when possible.

REMOVAL FROM CAMPUS HOUSING

Students can be removed from campus housing as deemed necessary by the Dean of Students. Examples include, but are not limited to, the following: multiple minor rule infractions, disrespect to staff, physical violence, vandalism, possession of illegal substance(s), and possession of weapons of any kind. Students who are removed must leave the campus within 48 hours (the Dean of Students can make exceptions). In case of student appeals, the action taken will be administered but can be reversed after the appeal has been heard. An individual found in violation of this policy will be escorted off campus by the Campus Safety or removed from the College activity. In addition, the individual may be prosecuted for criminal trespass.

Students removed from college housing may be removed from the college due to the residency requirement.

Students who do not attend & actively participate in all enrolled courses for more than two consecutive weeks in any academic period are subject to removal from housing. Students will be notified by email from the Dean of Students and given 72 hours to communicate with their professors and re-engage in their coursework. Faculty will be notified in the situation to verify a student's attendance and participation during this period. Failure to meet this standard will result in removal from housing within 48 hours of the re-engagement period. Students will not be reimbursed for housing costs due to removal from the campus.

RESIDENCE AGREEMENT

New and returning students will not be permitted to move into campus housing until they have been cleared by the Business Office, Financial Aid Office, Registrar's Office, Honor Council, Student Affairs, and Health Services. Students should consult with each of these offices prior to move in to ensure a smooth check in process.

RESIDENCE HALL SPACE

Assignments guarantee space (not specific rooms) within the residence halls. The Department of Residence Life reserves the right to assign students to other spaces, rooms or halls, when doing so appears to be in the best interest of the college, an individual or groups of students, or when it determines that a student is not actually residing in her assigned space. Residence contracts are for the entire academic year.

RESIDENCY REQUIREMENT

Wesleyan College believes in the value of the College community and the importance of both the curricular and co-curricular life of students. Therefore, residence hall living is considered an important part of the total education process. All traditional undergraduate students are required to live on campus during their enrollment.

Requests to live off campus will be evaluated based on individual circumstance, and a waiver will be granted to students who meet at least one of the following criteria:

- ❖ Living with a parent or legal guardian within 30 miles driving distance of campus or a county that borders Bibb County
- ❖ Fifth year seniors (8 full-time semesters – fall and spring – of Wesleyan College credit)
- ❖ Married/engaged students
- ❖ Parents who are primary caregivers of their child(ren)
- ❖ At least 22 years old at the time of matriculation to college

Students who do not meet one or more of these criteria but who have extenuating personal circumstances are encouraged to submit a Change of Resident Status form and a statement of their petition to be approved for a waiver.

All individuals requesting an exemption from the residency requirement must submit the appropriate by July 1 (Fall Semester) or December 1 (Spring Semester). Submission of a Change of Resident Status form does not guarantee approval to live off campus. If living off campus without permission, the student will be charged the full double occupancy room and board rate.

Students will receive written notification if a waiver is approved or denied. A student denied the waiver may appeal to the Dean of Students within 72 hours of first notification of denial. The decision of the Dean of Students is final.

Off-campus resident status may be renewed annually. Students will receive an email request for confirmation of residential address by July 1 (Fall Semester) or December 1 (Spring Semester). If a student's residential circumstances change, they must notify the Department of Residence Life immediately. Failure to provide current and accurate residential information may result in the student being charged the full double occupancy room and board rate.

ROOM ASSIGNMENTS/ROOM SELECTION

Returning students participate in a room selection process each year during the spring semester. Sign-up order is based on the number of earned credit hours as of the previous semester. Students must be registered for classes for the semester in which

they are selecting their housing. If a student does not receive their first choice for room selection, they may elect to be placed on a waiting list in the event that space becomes available in the future. Information regarding the room selection process is distributed to students via email during the spring semester. It is the responsibility of the student to attend her Room Assignment appointment. If they fail to attend their appointment time, an assignment will be made for them at the conclusion of the Room Selection process after all students have been assigned.

ROOM CHANGES AND CONSOLIDATION POLICY

Students are allowed to make room changes at the designated room-change period, which takes place at the beginning of each semester. Students desiring to move into a new room must follow procedures as directed by the Department of Residence Life. The student requesting a room change is the student who is expected to move. **Any student making an improper room change or those who fail to comply with the stated room change deadlines will be fined a \$25 improper checkout fee. If making an improper room change without appropriate permission, a student will have to return to the appropriate assigned room.** Fees will not be pro-rated for room changes.

After the room-change period, all room-change requests will be considered on an individual basis and granted by the Department of Residence Life only after all other attempts to create a suitable living environment have been exhausted. After designated room change periods, students without roommates are in the consolidation process and have the following options:

- ❖ Choose a roommate;
- ❖ Choose to remain in a private room and pay the private room fee of \$550/semester;
- ❖ Choose to remain in the room and a roommate can be assigned at any time.

Typically, students will have 2-4 weeks from the start of classes to choose one of the first two options. After the conclusion of the room change process, students will be informed of their status in the consolidation process and will begin to assign students to their new room or roommate. Students are encouraged to self-select a roommate from the other students going through the consolidation process and choose the room in which they will reside. When students do not self-select a roommate, they will be assigned one at random and the room assignment will be selected based on the student with the highest number of credit hours.

The Office of Residence Life reserves the right to make a room change at any time it is deemed to be in the best interest of the student(s) involved. If any room change is not completed by the specified date, the student is subject to a \$25 per day fine for each day past the deadline. Room Change requests will not be honored during the last two weeks of a semester.

ROOM AND APARTMENT CONDITION FORMS

Prior to the arrival of each student, all rooms are inventoried for the current condition of all furniture, walls, flooring, ceiling, fixtures, door, appliances, etc. Resident Advisors document each of these conditions and complete the necessary work orders prior to the check in period. When a residential student arrives on campus and checks into their room for the first time, they are responsible for completing the online Apartment/Room Condition Inventory form which will be used to document the condition of a room at check in.

During the Check-in Process, each student will receive instructions on how to complete their Apartment/Room Condition report. **It is the student's responsibility to inspect their rooms or apartments immediately upon move in and to complete their online Apartment/Room Condition Inventory within 48 hours of receiving their keys.** Failure to list a damaged item at check in does not alleviate a student from responsibility for that damage at check out and is not grounds for a housing damage charge appeal. It is the responsibility of the student to make sure that ALL conditions are listed on their Apartment/Room Condition Inventory.

During check out, the room will be inventoried and compared against its original move in condition. Any changes in condition will be reported in order to be assessed for damages. Maintenance/Custodial will determine the exact cost to be assessed to a damaged room and the cost will be passed along to the student. Damage fees and Residence Life fines are placed on student accounts approximately 4 weeks after the end of the spring semester and it is the responsibility of the student to check their account on the portal for any applied fines. For shared areas, the damages fines will be split evenly among all residents using that space unless a student(s) accepts responsibility in writing for that damage (including publicly shared areas such as lounges, laundry facilities, stairwells, etc. If a discrepancy should occur during the Check-out process, the initial inventory performed by the Resident Advisor will be consulted and compared with the initial inventory completed by the student at check-in.

ROOMS NOT IN USE

Students are prohibited from storing any belongings in an empty room in the residence halls or apartments. Empty rooms must remain clean and available for room changes and emergency housing situations. This includes rooms which are not for residential occupancy including lounges, study areas, storage closets, etc. Students found in violation of this policy will be

fined \$25 and will be required to remove belongings immediately. Additional sanctions may be imposed, if necessary.

SUMMER HOUSING

Summer housing is available to all current students registered for the fall semester at a determined cost. Housing may be made available to recent Wesleyan graduates in good standing with the college as space is available. Students living in campus housing during the summer months are required to adhere to all Residence Life policies and guidelines stated in the student handbook. Students failing to comply will be subject to sanctions imposed by residence hall staff. Space is limited and priority for housing will be determined by the Department of Residence Life.

SEARCHES AND ENTRY BY COLLEGE OFFICIALS

The College reserves the right for appropriate officials to search individual rooms, suites, apartments, buildings or any area when there is a reasonable suspicion that a policy violation or illegal activity is taking place. The College reserves the right to conduct a search as necessary whether or not a student is present in the room. If a search produces evidence of a policy violation or illegal activity, the resident(s) of the room will be referred to the appropriate Office of Student Conduct or law enforcement agency. College personnel may also enter a room to conduct routine, requested, or emergency maintenance procedures. Any item confiscated during a Residence Life or administrative search, which represents a violation of policy, will **not** be returned to the student.

SEARCHES AFTER A FIRE ALARM

It may be necessary to conduct a search immediately following the activation of a fire alarm. If illegal items are discovered during fire safety checks of the building, these illegal items will be confiscated and the appropriate action/fine will be assessed. Any item confiscated during a Residence Life or administrative search, which represents a violation of policy, will **not** be returned to the student.

VACANCIES

Vacancies in the residence halls and apartments that occur after the designated room selection time will be filled by the Department of Residence Life. Students on the waiting list will be considered for all vacancies before other students who are not on the waiting list. Housing assignments may be changed prior to move in to accommodate occupancy requirements. Mid-semester vacancies may require a student to go through the consolidation process. Students who do not comply with the consolidation process will be charged for a private room.

VISITATION POLICY AND PROCEDURES

Wesleyan College recognizes that visitation is an important privilege offered to the students. However, with this privilege comes responsibility. Visitors are defined as any non-residential student, faculty, or staff or any non-Wesleyan affiliated person who is requesting admittance in the residence halls or apartments to visit or gather with any Wesleyan College residential student. Visitation of guests, whether male or female, must not interfere with a roommate, suitemate, or apartment-mate's right to privacy, study time, sleep, etc. Residents may not exercise their visitation privileges if doing so interferes with the rights of the roommate, suitemate, apartment-mates, or of any other resident. Students may have guests in their room or apartment only with approval from their roommate or apartment-mates according to the following guidelines.

CONDUCT

The resident with whom the guest is staying is responsible for the actions and conduct of their guest at all times. Guests and hosts alike are responsible for knowing and abiding by all regulations and policies.

ESCORT

A Wesleyan College student must escort their guest at all times. In addition, guests may not be left alone in a residence hall or apartment for any period of time. It is the responsibility of every Wesleyan student to inform unescorted guests that they must leave the building and notify their Resident Advisor and Campus Safety of this behavior.

OPEN VISITATION HOURS

Wesleyan students are permitted to invite male and female guests to campus during open visitation hours. Open visitation hours are as follows:

Sunday – Thursday: 10am – 12 midnight

Friday and Saturday: 10am – 2am (the following morning)

During open visitation hours, a guest registration form is not necessary for guests who are visiting campus. However, Wesleyan students are highly encouraged to complete a guest registration form for any guest visiting campus in order to ensure a smooth visit. Even though guest registration forms are not required during open visitation hours, a student should minimally receive verbal permission from their roommates, suitemates or apartments for any guest entering the residence halls or apartments.

OVERNIGHT GUESTS

Wesleyan upper-class students are permitted to host an overnight guest on campus in their residence hall room or apartment as long as they have followed all overnight guest registration guidelines. Students in the first year communities are not allowed to have overnight guests in the first semester. Guest privileges for first year students will be evaluated for the Spring. An overnight guest is defined as any Non-Wesleyan Student on campus after open visitation hours.

Out of respect and for safety reasons, a resident must request and receive approval to host an overnight guest 24 hours in advance from her roommate, suitemates or apartment-mates. Approval of guests with less than 24 hour notice will be approved on a case by case basis with an extenuating circumstance only. After gaining approval, the resident must register the guest with a Residence Life staff member according to the guest registration procedure. Failure to gain approval or to register the guest will result in the guest being asked to leave and referral of the resident host for judicial action.

When visitation is permitted, each overnight guest may stay for a maximum of three consecutive nights and may not spend more than eight nights on campus per month without special permission from the Department of Residence Life. Guests are not permitted to stay with different Wesleyan hosts in order to extend their stay on campus past the guidelines set above. Students are permitted to have two overnight guests per evening. All other guest policies must be followed at all times for the duration of the guest's stay. In extenuating circumstances regarding the number of visitors per evening or the number of days permitted, students must gain approval from the Department of Residence Life.

OVERNIGHT VISITATION – MINOR

Children under 16 years of age are not allowed to spend the night in a residence hall room or apartment. Children visiting overnight must still follow all visitation policies. Exceptions may be granted by the Dean of Students upon request.

OVERNIGHT GUEST REGISTRATION POLICY

In order to ensure the highest safety standards possible, the following overnight guest registration policy must be followed by all residents at all times. Male and female overnight guests remaining in the residence hall or apartments past 12:00 a.m. (midnight), Sundays through Thursdays and 2:00 a.m. on Fridays and Saturdays must be registered. During college holidays when classes are not in session (i.e., Labor Day, Fall Break, Thanksgiving, Spring Break, etc.), guests are permitted to stay overnight the evening before a holiday, even if it is not a weekend. This does not include the beginning of each semester prior to the start of classes or finals week

In order to register a guest, a student must fill out a Guest Registration Form, which can be obtained from WesPortal under the Student Life section of the WesNet tab. The Guest Registration Form includes Wesleyan host information, guest information, in addition to signatures from all roommates and suitemates or apartment-mates. Permission must be granted from a roommate, suitemates, and apartment-mates which are indicated by signatures on the registration form.

For identification purposes, a copy of the Guest Registration Form must be carried with the guest **at all times** while on campus. All guests must present their approved guest registration form to any Campus Safety Officer, Wesleyan College Administrator or Residence Life Staff Member when requested to do so. Without a completed form, all guests will be escorted off campus.

CHAPTER FIVE- COMPUTER INFORMATION RESOURCES

[CIR Staff and Support](#)

[Use of Computer and Information Resources Policy](#)

[Enforcement](#)

CIR STAFF AND SUPPORT

When residential students first orient to the College, they are introduced to their Information Technology Assistant (ITA), who assists them in the initial setup of their computers. Students will contact the ITA assigned to their residence hall if they need

further assistance with campus technology. The ITA's contact information can be found on the residence hall bulletin board. Residential students may also receive assistance by entering a HelpDesk ticket into the system at <http://HelpDesk.WesleyanCollege.edu> or by leaving a message at 478-757-5239. See an ITA or CIR Department staff member for additional information.

Non-residential students may receive assistance by entering a HelpDesk ticket into the system at <http://HelpDesk.WesleyanCollege.edu> or by leaving a message at 478-757-5239. Someone will contact you as soon as possible to determine the best solution to the problem.

USE OF COMPUTER AND INFORMATION RESOURCES POLICY

Before a student receives access to the network and its related resources (internet, e-mail, printing, and the Wesportal) the student must understand and agree to the [College's Computer and Information Resources Policy](#). This policy provides guidelines for network etiquette and the acceptable use of the College's technology resources. It also provides information about the appropriate use of copyrighted materials (written, video and audio). The [College's Computer Information and Resources Policy](#) can be downloaded from the College's WesPortal -> Wesnet Tab -> Policies Menu.

If you have questions about the level of service provided, you may contact the Director of Computer and Information Resources by email at: jtedders@wesleyancollege.edu or by telephone at: 478-757-5125.

ENFORCEMENT

Any violation of these or other published policies for the appropriate use of computers, networks, and telephones must be reported to the Network Administrator or the Director of Computer and Information Resources. (The network or system administrator will temporarily suspend a user's account when it is deemed necessary to assure proper security of the College systems until a proper review is performed). Upon indication of a violation, the Director of Computer and Information Resources shall convene a hearing committee to review the case. For a student violation, the committee will consist of the following members of the campus community: Dean of Students, Vice President for Academic Affairs, Student Government President, and chair of Faculty Council. The committee will review the information regarding the violation and determine if the user has violated the Use of Computer and Information Resources Policy. Based upon a review of the specific circumstances the hearing committee will follow the procedure outlined below.

For students, a violation will result in the suspension of user privileges, a fine, recommendation for suspension or removal, and/or any combination of the aforementioned sanctions. Generally, sanctions will be as follows:

First Violation -\$50.00 fine

Second Violation -\$100.00 fine & suspension of user privileges for one semester

Third Violation -Recommendation to the Dean of Students for suspension of the student for a minimum of one year, or for permanent removal depending upon the severity of the situation.

Based on the severity of the incident, the hearing committee reserves the right to immediately move to a recommendation for suspension or removal. All violations will be documented and filed in the student's records.

CHAPTER SIX- HONOR CODE AND CODE OF CONDUCT

[Introduction](#)

[Conduct Process and Appeals](#)

[Honor Code and Code of Conduct](#)

INTRODUCTION

Wesleyan College seeks to provide all members of the college community with an environment conducive to learning. Membership in this community entails rights and responsibilities for each of its members, and requires that members of the community treat others with civility and respect. The College reserves and will exercise the right to insist upon the highest standards of personal conduct from all members of its community.

This chapter provides the Honor Code and detailed code of conduct. All students at Wesleyan should become familiar with the honor code and code of conduct, which guides decisions during any form of the conduct process. Behavior that violates the rights of others or the standards of academic or social life is not a private matter. Disciplinary action against any student may entail serious consequences. It may result in the student's temporary or permanent separation from the college and thus may jeopardize her future career. It is the policy of the college that a student's parents or guardian will be notified in the event of serious disciplinary action involving their student, subject to the Family Educational Rights and Privacy Act of 1974.

The college reserves the right to amend the rules and regulations of the college any time.

HONOR CODE AND CODE OF CONDUCT

Honor Code

The Honor Code is the foundation upon which life in the Wesleyan College community is built. It is based upon the idea that individual freedom is a right founded upon responsibility. A student is expected to maintain four principles while attending Wesleyan College. Those principals include the following:

1. Tell the Truth
2. Respect Others
3. Be Accountable for Actions
4. Practice Inclusivity and Equity

If a student violates a principle of the Honor Code, the student will be referred to the Office of Student Conduct. All violations are alleged until an investigation is conducted and a student is given an outcome for their actions. All students have the right to due process and shall be given the opportunity to speak to the alleged violation.

Honor Pledge

Membership in the College community involves establishing and maintaining these broad principles. It is understood that by becoming a student at Wesleyan, an individual signifies acceptance of the Honor Code and all policies and procedures set forth in the Wolf Guide Student Handbook, and elsewhere as enacted by College Officials.

As a member of the Wesleyan College Student Body, I will uphold the Honor Code, strive for personal honesty and integrity in all areas of my life, and fulfill my responsibility for maintaining the Honor Code in the college community.

CHAPTER SEVEN: CONDUCT PROCEDURES

[Academic Violations of the Honor Code and Appeals Process](#)

[Non-academic Conduct Process and Appeals](#)

[Student/Faculty Judicial Board](#)

ACADEMIC VIOLATIONS OF THE HONOR CODE

If a student has been accused of an academic violation of the honor code the student will be notified of this accusation by the faculty member, or in severe violations of the honor code, by the Provost. The faculty member will also submit a report to the Provost office detailing the alleged event and indicating if any sanction was imposed. In cases where a sanction is imposed, either by the faculty member or the Provost, a letter will be sent to the student as a record of the reported violation of the Honor Code and the penalty that was imposed. In addition, the student will be given the procedure for appealing the decision. A severe first offense or repeated offenses can result in failure of the course or removal from the College.

A student has a right to appeal the consequence that has been imposed by either the faculty member or the Provost following an accusation of an academic violation of the honor code.

To request a formal appeal, the student must submit the Academic Violations Appeal form located under “Filing an Appeal” on the [General Reporting and Appeals Information section of the College website](#) along with any supporting documentation, within five business days of being notified of sanctions resulting from an academic violation of the Honor Code. The student should submit any documentation at the time of submitting the appeal.

Once an appeal is received, the Provost will review the submitted appeal and any documentation and assign it to the division chair (or a selected division chair if the faculty member in question is the division chair) for investigation. The Provost will also send a copy of the submitted appeal to the faculty member in question.

The division chair will:

Read through the information submitted by the student.

Talk with the faculty member in question about the situation. Faculty may either submit information in writing to the division chair or have a conversation with the division chair about the situation.

Talk with the student in question.

Review other information as needed.

The division chair has five working days to submit their conclusion to the Provost. The Provost will notify the student and the faculty member in question of the decision.

If the student feels the division chair has not resolved the matter, the student may complete a second appeal form within five business days. The student may submit additional documentation if appropriate. If a second appeal is not submitted, then the decision from the division chair will be final.

Upon receiving a second appeal, the Provost will:

Read through all information that has been submitted to date.

Talk with the faculty member in question to clarify information as needed or if any new information was submitted by the student.

Talk with the student to clarify information as needed.

Make a ruling within five working days.

Notify the faculty member, division chair, and student of the final decision.

If the Provost determines the need for a review committee, the Provost will submit the information to the Student/Faculty Judicial Board for review and to make a recommendation to the Provost on a decision. Decisions by the Provost are final.

Appeals of a sanction imposed by the Provost for repeated violations, or for a severe first offense, will be sent directly to the Student/Faculty Judicial Board for review and a final decision.

Note: The Provost may make exceptions to the timeline for faculty responses as needed.

NON ACADEMIC CONDUCT PROCESS AND APPEALS

The Chief Conduct Officer is vested with primary responsibility for administering non-academic policies related to student conduct. The Chief Conduct Officer is appointed by the Dean of Students in the Division of Student Affairs. The Chief Conduct Officer may investigate and act on any allegations of student violations of college policy. Alternatively, the Chief Conduct Officer may refer such matters to the Student/Faculty Judicial Board, a conduct officer or to Residence Life as set forth below.

Upon receipt of an allegation of student misconduct or non-academic violation of the Honor Code or Code of Conduct, the Chief Conduct Officer will seek to determine the facts and relevant information relating to the complaint or allegation. The Chief Conduct Officer may interview the student or students against whom the allegations have been made. Before imposing any sanction, other than an interim sanction, the Chief Conduct Officer will inform the student or students against whom allegations of misconduct have been made of the nature of the allegations. If the Chief Conduct Officer determines that the matter should be closed without further action, they may do so, and will inform the student or students involved.

If the Chief Conduct Officer determines that the information available indicates a violation of college policy, the Chief Conduct Officer will determine whether the matter is to be referred to Residence Life, the Student/Faculty Judicial Board, or resolved by her/their office. The fact that a matter has been referred to the Student/Faculty Judicial Board or Residence Life does not prevent the Chief Conduct Officer with consultation from the Dean of Students or Provost from imposing an interim sanction pending resolution of the matter by such bodies. Interim sanctions may include, but are not limited to, not entering or being in or on particular buildings on the college, avoiding contact with a specific person or persons, removal from the residence halls or suspension of the student from the College. The Chief Conduct Officer will notify the student or students involved, in writing, and provide an opportunity to an informational meeting to discuss all pending code of conduct charges.

If the Chief Conduct Officer determines that the matter is one that will be resolved by his/her office, they will provide the student an opportunity to accept responsibility for the alleged violation/s and meet informally to discuss possible sanctions or choose a formal conduct meeting to contest the assigned charges held with the Chief Conduct Officer or an administrative conduct officer selected by the Chief Conduct Officer. The Chief Conduct Officer or designated conduct officer will make a formal determination of findings and impose such sanction or sanctions as they deems appropriate.

If the Chief Conduct Officer determines the alleged violation will be heard by the Student/Faculty Judicial Board, the student will be notified and provided an informational meeting prior to the formal conduct board meeting. The Student/Faculty Judicial Board will make a formal determination of findings and impose such sanction or sanctions as they deem appropriate, up to and including expulsion from the College.

The Chief Conduct Officer will also inform the student of the student's right to an appeal of the findings for a matter referred to Residence Life, the Student/Faculty Judicial Board or a conduct officer. Appeal requests must be made in writing to the Dean of Students within three business days of notification of the decision and attached sanction/s.

Any act authorized by this code to be performed by the Chief Conduct Officer may also be done by an authorized designee of the Chief Conduct Officer.

Any questions related to where a specific alleged violation of a College policy will be adjudicated should be directed to the Chief

Conduct Officer or Dean of Students, with appropriate offices for adjudication and appeals outlined below:

- A student who had been charged with a serious non-academic alleged misconduct will have the charges heard through the Student-Faculty Judicial Board. A student that has been found responsible of misconduct by the Student-Faculty Judicial Board, may appeal the determination and any interim sanctions placed by the Chief Conduct Officer or designee to the Dean of Students.
- Alleged violations of Residence Life policies and procedures will be adjudicated by the Office of Residence Life. A student may appeal the decision of the Assistant Dean & Director of Residence Life to the Chief Conduct Officer within 3 business days of notification of the sanction. The appeal decision is final.
- All alleged violations of the [Wesleyan College Sexual Misconduct Policy](#) and the [Non-Discrimination Policy](#) will be handled according to the [Wesleyan College Process for Resolving Complaints of Sexual Misconduct](#).
- Alleged infractions of the Use of Computer and Information Resources Policy will be heard by the Hearing Committee, as provided for in the [Computer Info Resource Policy](#), on wesportal.

All alleged infractions of any College policy or procedure not specified above will be resolved per the College policy or by the Chief Conduct Officer, a conduct officer or the Student/Faculty Judicial Board. A student may appeal the decision of the Chief Conduct Officer, conduct officer, or the Student/Faculty Judicial Board within 3 business days of notification of the decision and sanction/s to the Dean of Students or Provost of the college.

The College reserves the right to manage infractions of the Honor Code, Student Code of Conduct, Residence Life Regulations and other College Policies by means of remote communications in lieu of in-person meetings or conduct hearings, when the Chief Conduct Officer or Dean of Students determines that the College community would be best served by conducting such proceedings remotely.

STUDENT/FACULTY JUDICIAL BOARD

The College supports one conduct board to handle serious infractions of the Honor Code, including violations of College policies. A student who had been charged with a serious non-academic alleged misconduct will have the charges heard through the Student-Faculty Judicial Board, as determined by the Chief Conduct Officer. A student that has been found responsible of misconduct by the Student-Faculty Judicial Board, may appeal the determination and any interim sanctions placed by the Chief Conduct Officer or designee to the Dean of Students.

Committee members include, four staff members selected by staff council (or the Director of Human Resources if staff council is not in operation), four faculty members with two years teaching at the College, elected by the faculty, and four students selected from the study body through an application and interview process conducted by the Chief Conduct Officer. Individual conduct panels will include one of the four faculty members, one of the four staff members and one of the four students. The Chief Conduct Officer will select which faculty/staff/student participants in a particular hearing based on availability and analysis of any potential conflicts of interest. Once a hearing is called, the faculty member will serve as the chair for that conduct hearing. The chair is responsible for notifying the Chief Conduct Office of the outcome of the hearing. The decision of this board may be appealed to the Dean of Students.

If, during the summer or during any other period, sufficient members of the Student-Faculty Conduct Board are not available to hear a case, the Office of the Provost, at the request of the Dean of Students, may designate individuals to serve as interim members of the Board for the purpose of the hearing.

Infractions of the “Use of Computer and Information Resources” policy will be heard by a Hearing Committee as described in the “Use of Computer and Information” policy or reported to the Chief Conduct Officer as deemed appropriate.

Information regarding reporting violations, conduct procedures, rights of the accused, sanctions, and appeal processes are listed below. APPEALS POLICY AND PROCESS

A formal, typed appeal must be presented to the Dean of Students (or Provost if designated to hear the appeal), within 3 business days after the notification of the sanction has been delivered to the student. The student must state the reasons for the appeal (as outlined below) and present evidence to support the claim that the verdict (responsible or not responsible), the sanction, or both were unfair or unwarranted based on the Grounds for Appeal listed below. The Dean of Students reserves the authority to uphold or amend the sanction or to have the Student/Faculty Judicial Board rehear cases when deemed appropriate. In cases where the hearing board makes a recommendation to the Dean of Students for removal from the residence halls, expulsion from the college, or suspension and the Dean of Students approves such recommendation, the appeal will be referred to the Provost. When a student submits an appeal, the initial sanction and actions taken by the hearing board will be administered and all deadlines must be met. In the event an appeal decision is rendered that overturns the initial outcome or sanction from the hearing board, the actions can be reversed. Appeal decisions are final.

GROUND FOR APPEAL

The following are the only grounds for appeal regarding all cases.

Any appeal must be based on one or more of the following grounds:

- ❖ Procedural error, if not corrected, would cause a significant difference in the determination and/or sanction
- ❖ Disciplinary actions extreme in relation to the violation
- ❖ New evidence not available during the investigation or hearing but is now available and is directly related to the case

LOSS OF APPEAL PRIVILEGES

An accused student will lose their right to appeal the decision of the Student/Faculty Judicial Board or Chief Conduct Officer in the following ways:

1. The student has not attended the hearing and the hearing was heard in absentia.
2. The student has failed to complete the sanctions from the initial hearing and is brought before the board for a Sanction Violation hearing. All Sanction Violation results are final regardless of a student's attendance at the Sanction Violation Hearing.

CONFIDENTIALITY

The Student/Faculty Judicial Board, Chief Conduct Officer, and the Dean of Students, and other related persons will maintain confidentiality related to cases and all surrounding circumstances. Hearings are open to relevant parties only as designated by the Chief Conduct Officer. All college conduct cases are confidential. Cases, students involved, outcomes, or any related circumstances will not be discussed. Exceptions include relevant administrators associated with the case on a need to know basis as defined by the designated College official. Accusers may inquire as to whether or not cases have been processed through the Chief Conduct Officer, however verdicts remain confidential.

PROTECTION FROM RETALIATION

Retaliation against an individual who makes a report of a policy violation or assists in providing information relevant to a

policy violation is a serious violation. For additional details and the full policy see the [Non-Retaliation Policy](#) as posted on WesPortal.

RECORDS

Copies of the official correspondence related to all cases will be placed in the student's permanent file by the chief Conduct Officer in Student Affairs. Student files are kept confidential and released only with an official request. (See the FERPA Policy for more information on privacy rights.)

CHAPTER NINE - ALMA MATER

Alma Mater Hail, Wesleyan, thou emblem of all that is grand;

The noblest, the greatest, in all our fair land.

Thine ideals are honored, thy name always blest;

A fountain of knowledge, the oldest and best.

A star in the dark is thy glorious past,
Forever and ever thy glory shall last.
Upholding thine ideals, thy daughters shall be
True, faithful, and loyal, dear Wesleyan, to thee.
